

Privacy Policy for Jukebox

Last updated: June 30, 2026

This Privacy Policy explains how Jukebox ("we", "us", "our") collects, uses, and protects your information across our mobile app and website.

Information We Collect

My Jukebox mobile app: We collect your name, email address, and in-app activity to provide and improve the service.

get-jukebox.com: We collect the email address you submit when joining the Jukebox Remote waitlist, for the purpose of sending you updates about the product.

How We Use Your Information

We use your information to operate, maintain, and improve our services, and to communicate with you about updates, including waitlist status and product announcements.

Sharing of Information

We do not sell your data. We may share your information with trusted service providers who help us operate our services (such as email providers), solely for that purpose. These providers are not permitted to use your data for any other purpose.

Your Rights

You may request access to, correction of, or deletion of your personal data at any time by contacting us using the information below.

Intellectual Property

Album artwork displayed in the Jukebox app / Jukebox Remote is retrieved through the public Spotify API in accordance with Spotify's Developer Terms of Service. Jukebox does not store, reproduce, or distribute any album artwork independently.
