**For your Parish Bulletin:**

**Jesus is Our Hope**

Out of His goodness and love, God made a promise to Adam and Eve when they let their trust in Him die. God promised a Savior who would save them, and us, from the evil one, sin and eternal death. Jesus – the Son of God – took on human flesh to fulfill this promise. Through His life, death and resurrection, Jesus won the victory. Christ rescued us from the kingdom of darkness, lies and hatred so that we could be free to live in His kingdom of light, truth and love. During this *Jubilee Year of Hope 2025*, let us ask our Savior to increase our trust in His perfect goodness and unconditional love.

**(Reminder)** Bulletin editors: Additional bulletin announcements for the Jubilee Year of Hope were developed and added on Sept. 2. Entries found [here](#).

**For your Parish Bulletin:**

**Small Groups: Necessary Component of the Christian Life**

Small groups are a unique avenue for us to learn more about Christ's teaching, grow in fellowship with one another, prepare ourselves to participate in the Sunday eucharistic celebration, and pray together. It is striking that Jesus promised “. . . where two or three are gathered in my name, there am I in the midst of them” (Matt 18:20).

The purpose of small groups is to foster greater openness to Jesus Christ and grow in our faith, hope and charity. Small groups also help to build community and a sense of belonging in our parishes, develop strong friendships in Christ, deepen our relationship with the Lord by deepening our understanding, strengthen us by walking with others and accept others and ourselves as imperfect persons who are seeking God. Check in with the parish to see what is being offered. For a list of bible studies and faith studies for small groups, please visit [this link](#).

**Information for Parish Leaders:**

**(Reminder) Parish Small Groups: Catholic Christian Outreach (CCO) Faith Study Series**

One of the greatest needs of any parish is adult faith formation. Read about the experience of Mary, Mother of the Church using an excellent faith study series over the last seven years. CCO, this small group series, is designed to help form missionary disciples. The results of Mary, Mother of the Church are compelling and can be found by clicking [here](#). A brief descriptor of the CCO resources is found at the same link.

**Catechetical Leader Information:**

**Gradual Implementation of Theology of the Body for Middle School and High School:**

If the parish has not yet implemented the Theology of the Body in 7th or 8th grade and in high school prior to students receiving the sacrament of confirmation, a schedule has been developed to implement the series from Ascension Press gradually over a few years. Amidst all the confusion that young people face in our culture, St. John Paul II's Theology of the Body offers clear answers about our identity, relationships, and sexuality—and makes this timeless wisdom accessible and relatable. All students in Middle School and High School are required to receive this outstanding teaching.

For a schedule to divide the Theology of the Body over a few years, click [here](#).

**(Reminder)** *Envision* is the newest version for Middle School, but the prior version may be used. Click [here](#). All students in high school are to receive the formation entitled *You. Life, Love and*

*the Theology of the Body*. Click [here](#). Online training by Ascension Press is available for those who will be facilitating TOB. Contact Ann Lankford for the FREE link and accompanying resources. It is more productive when the Catechetical Leader facilitates this training process for catechists and youth ministry teams.

**(Reminder) The Importance of the Family:**

The Church teaches that the family provides the context for all of our catechesis, meaning the Church's mission of evangelization and catechesis is to be carried out above all by supporting and working with families. Please keep this in mind for all planning. If there will be adoration for the students and catechists, invite the parents. When the young people receive the sacrament of reconciliation, encourage the parents to attend etc.

**(Reminder) Your Help Needed: Connect College Freshman from the Parish with the Campus Minister:**

As your college freshman embark on this exciting new journey, help them stay connected to their faith by introducing them to their campus minister. By signing up through [Newman Connection](#), their campus minister will personally reach out—helping them feel at home and introduce them to like-minded students. It takes just 30 seconds [to sign up](#). Thank you. Your time and effort in this regard, greatly increases the likelihood that these students will continue to grow in their Catholic faith as they embark on this journey.

**(Reminder) Catechetical Sunday 2025:**

September 21 has been designated Catechetical Sunday 2025. The theme is “Always be ready to give an explanation for a reason for your hope.” (1 Pet 3:15) This corresponds beautifully with the Jubilee Year of Hope. Materials for download and purchase are available [here](#).

Parents are truly the primary catechists of their children. They prepare the soil, plant the first seeds of faith and are to foster faith in an ongoing way. On Catechetical Sunday, we not only highlight the work of catechists in parishes and schools, but we also commend parents and guardians and encourage them to take seriously their role of making their Catholic households a place where faith is passed on to the next generation. This is why the rite of blessing of catechists used on Catechetical Sunday includes a blessing of parents and guardians. Click [here](#).

**(Reminder) Forms To Be Completed for Parents of All Students in Faith Formation, Youth Ministry and for Events:**

Information about completing forms for each student by a parent or guardian, as well as for participating adults in the programs and events, was included in the Chancery Bulletin the last two weeks. If you are a Catechetical Leader and missed this important info, click on “Past Chancery Bulletins” at the very top of this page.

**Cranberries, Vocations, Keeping Kids in Church and “Fueling the Mission”:**

All this... and more! We publish "Connecting the Diocese" as a weekly podcast you can access by [visiting this link](#). The link remains unchanged from week to week, so you can share it in your parish bulletins for evergreen content for your parish bulletins, youth groups, OCIA teams, etc. Similarly, the QR code to the right will always lead to the main "Connecting the Diocese" page, so you automatically share new (and local) Catholic content with your faithful when sharing the link/QR code.

**(Reminder) Fall Parish Roundtables—Save the Date:**

Parish roundtables remain a distinct joy of ours and we are endlessly grateful for the opportunity to listen and share relevant updates. Thank you. This year's Fall Parish Roundtables will be held on October 6th-10th. Please save the dates - your attendance helps the gatherings shift effortlessly from a meeting to a gathering.

**(Reminder) Bishop Battersby's Welcome Back to School Video:**

"My prayers for a new beginning, a new and more intimate encounter with Christ and with his holy Church which we are called to bear witness with our lives." The Bishop's video welcoming back our Catholic school children is available for viewing and sharing [at this link](#). Please share broadly within the schools and with parents.

**(Reminder) Catholic Life Story Ideas:**

We're seeking a few stories to share in our next issue of *Catholic Life*. The issue's theme is "A Savior Is Born — Going Forth on Eucharistic Mission." We ask, "Is God calling me?" We speak of committing and trusting to live a life of communion and mission. Every parish holds powerful stories of faith and encounter. We may be humble and hesitant to share, but we do—because our stories are not about us. They spark encounter in others and, in so doing, help us fulfill the Great Commission. Please reach out to Erik at [earcher@diolc.org](mailto:earcher@diolc.org) with your stories.

Calix is an association of Catholics wanting to live free of addiction to alcohol or drugs, and it is also for affected family members. "Calix," Latin for "chalice," was founded in Minneapolis in 1947 by a group of five men, all recovering alcoholics, who saw their Catholic faith as a sure path to serenity without alcohol. If you are interested in learning about the Calix group that meets every other Tuesday by Zoom in the Diocese of La Crosse, email Christine at [healthandharmonywi@gmail.com](mailto:healthandharmonywi@gmail.com). ### **How Stewardship influences one's discipleship:**

In our Catholic faith, stewardship is a transformative way of living that greatly influences a person's spiritual growth by fostering a closer relationship with God, strengthening personal faith and building a sense of community (aka the kingdom of heaven on earth). It is an ongoing process of conversion, shifting from self-centeredness to a grateful acknowledgment that everything is a gift from God.

How stewardship fosters a deeper relationship with God: By practicing stewardship, a person strengthens their connection to God through gratitude, prayer, and trust in divine providence.

- **Gratitude and humility:** Recognizing that all you have—including your time, talent and treasure—comes from God instills a profound sense of gratitude. This moves the heart away from seeing possessions as a right and toward a humble appreciation of God's generosity.
- **Trust and reliance:** A steward understands that God is the owner and provider of all things. This recognition fosters a profound sense of trust and reliance on God to meet all our needs, even in times of uncertainty or financial hardship.
- **Intimacy through prayer:** Stewardship is rooted in prayer, which is essential for nurturing a personal relationship with God. Through intentional time spent in prayer and

reflection, a steward listens for God's call and guidance on how to utilize their gifts most effectively.

- **Imitating Christ:** Jesus is the ultimate model of stewardship, holding nothing back for himself but pouring out his divine nature in love for humanity. By imitating Jesus' self-sacrificial love and service, a person grows closer to him and becomes more like him.

More reflections on Stewardship can be found on our [portal](#)!

### **Catholic Mutual Group—Parish Safety:**

Words cannot adequately express the shock and grief we feel following the horrific act of violence that occurred at Annunciation Catholic Church in Minneapolis on Wednesday, August 27<sup>th</sup>. In times of such profound sorrow, we turn to our faith for strength, comfort and guidance. We acknowledge that it is normal to feel fear, anger and confusion along with a shaken sense of security in a place that for all of us should be a sanctuary.

Catholic Mutual Group is closely monitoring the investigation into the tragic event and will evaluate any necessary security enhancements to our risk management information in the coming weeks. Meanwhile, please refer to the attached [parish safety and security guide](#) for additional information.
