Subject:		Paper number: (For office use)

If Shoreham College submits a request for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one your examinations after your subject grade has been issued there are three possible outcomes:

1. Your original mark is lowered, so your final grade may be lower than the original grade you received.
2. Your original mark is confirmed as correct, so there is no change to your grade.
3. Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you must sign the declaration below. This tells us that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

Declaration:

I give my consent to Shoreham College submitting a: **Clerical Re-Check / Review of Marking**
(delete as appropriate) for the examination(s) listed above.

In giving consent I understand that the final subject grade and/or mark awarded to me following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded for this subject.
