- he's using his phone bc his mouse died
- he feels like it looks better tbh
- welcome to the chatterino
- did u enjoy his vid
- he does not hate us. Chillax friendos
- phil is not a very rude person
- they have Reciprocal Bants
- they're doing a lotta traveling soon
- should dan upload more dumb casual videos
- did u like the craft vid
- how us it been 3 years
- "good things come in 3s"
- it's the end of the craft channel rest in peace
- they felt like the 3rd vid was the Natural Progression of the craft channel
- don't talk to him about food
- if u got Anything out of tht shirtless phil scene. he doesn't know what to say tbh ur worse than them
- thx for spamming even after he said Don't Spam
- we are completely out of his control
- let's do a bit of the show upside down
- nvm he can't read the chat
- upside-DAN
- he'll talk about dapg...
- u exist to please urself. no pressure.

- so many of his videos just have him having a Breakdown in them now tbh
- he should put some Intellectual and Deep content up in the future
- his sunday school teacher messaging him made him aware of how anyone can see what he says
- sunday school had jams and biscuits that's what he was there for tbh
- he left the message unread he can't deal with that tbh
- should he stop giving us actual content and just make videos about who's on his Daddy List
- they've been Busy Bees
- filming lots of gaming videos
- woo
- he's so good at mario kart
- the craft video and illuminati yt meeting weren't planned but he'll take credit anyway
- shittywatercolour has no shame
- dan is dragging everyone around him into depravity
- he heard he was in the bg of 13 reasons
- he had to cut the quiz vid down from 25 min
- but it was mostly him having a breakdown
- yt is aware of the community's opinion on everything they just should try to work faster
- Susan Waluigi, CEO of YouTube
- nose angle
- Hair Cam
- he's Relocating his wirrow painting you could say
- the next dil video is Dramatic
- do u want some Fanservice
- ur not ready for this
- they were out having lunch
- then dan had to meet up with his mum to get his jacket he left at his house
- but he was cold so he had to borrow phil's jacket
- he was wearing phil's coat for 20 minutes today
- holy moly
- don't say he doesn't give us what we want tbh
- why is anyone even here
- baby weasels
- give him an app where he can buy a weasel to nibble his hand
- his wirrow painting is like damocles' sword rn
- did he rly use tht as a reference
- club penguin
- the vid was just like 20 min of them getting rejected
- he wants our input on his ugly video background
- let's talk about this in 2 weeks when they're back from australia
- when he gets into it send him Palettes
- he was so traumatized by his last terrarium experience does he really want to do it again
- phil isn't doing a liveshow this week but he may be uploading a video that day instead

- he doesn't speak for phil. phil jus told him this
- they'll try to upload on liveshow days
- prob no liveshows til the 25th (?)
- window seats on planes > aisle seats
- what's the gender neutral equivalent of BallAche
- AssAche
- playing with keys ASMR
- lookin Fresh
- it takes like 30 min to edit craft vids
- they were all completely improvised
- other than the craft itself ofc
- his Weed Jumper is scratchy and leaves fluff all over him
- why does he keep it
- "phil and i..... [whisper] i'll break your legs"
- forehead 5 o clock shadow
- beep beep i'm a sheep
- frosty nips
- beluga whale
- slow puberty
- no beard
- slow aging boi
- sorry if it's laggy
- he was betrayed by food yesterday
- it didn't come for an hour
- their order didn't get processed
- so they just ordered domino's
- bc it was like. 11 pm and nothing else was open.
- a fresh pizza though
- the next gaming vid is a Hoot
- love/hate with twd
- chin fluff
- he has tense shoulders
- could do with a massage tbh
- he used to roleplay sonic with his friends when he was little
- his sonic oc was named silver
- what is it about sonic the hedgehog that makes children go Nuts
- it's a gateway to the furry fandom
- the furry fandom is Out There on twitter
- it's a whole world for u to get lost in
- he almost just ended the show by accident
- that's what he's been up to recently
- thanks for watching
- he's always Semi-Joking

- only ever 80% having a breakdown
- ty everyone who made quizzes about him
- hope u enjoyed the vid
- they're off to aus
- no livesthows for a bit
- maybe next one will be more productive
- hope it's been fun
- look forward to phil's video and the rearrangement of dan's possessions
- Bye
