

NAREE Census 2021 Tip Sheet

Mary Shanklin
shanklinmary@gmail.com

Household Pulse Survey: [Household Pulse Survey \(census.gov\)](https://www.census.gov/hhes/pulse-survey/)

- Household Pulse Survey with fresh data from the last two weeks ago to a leading indicator instead of a trailing one.
- Show which states - or metro areas - are struggling with more people facing foreclosure or paying household expenses
- Telecommuting - which areas is the number of households with at least one person telecommuting actually growing at this point in the pandemic
