UH

[ronpartain](#) 🐼 ⚡ 🐼 Im doing well... how are you?

[Collinwood01](#) 🐼 Hello Ron. Hope youre doin good

[GPennell](#) Hey Ron! Sup???

[Becklenay](#) 🐼 [@Ron](#) - as a navy man, maybe you can answer this. My Dad was injured in 1969. Lost his best friend. Got three medals. He was a cook on a sub. He would never tell us why he got medals. Do you have

[Becklenay](#) 🐼 idea? (it cut me off)

[Wynters65](#) 🐼 🐼 Hello

[Collinwood01](#) 🐼 Watched the 1st part of this series yesterday. Really informative but the guys accent is a bit thick sometimes

[Wynters65](#) 🐼 🐼 Hello Beck

[Becklenay](#) 🐼 Hey, Wynters

[Wynters65](#) 🐼 🐼 Hello Collin 😊

[Collinwood01](#) 🐼 lol, Like I can listen to Juan o savin at 2x but not this guy

[Becklenay](#) 🐼 Juan is a VERY slow talker.

[Collinwood01](#) 🐼 Hey there Wynters!

[GPennell](#) LOL!!!! That's the only way I can listen to Juan!!!

[GPennell](#) Hi Wynters!

Wynters65 🍷🗨️ Hello GPennell nice to see you
GPennell Hi Collinwood!

Collinwood01 🗨️ Nice to see you GP
GPennell So nice to be back in a live chat!!!

Becklenay 🗨️ Kazarian

GPennell It's satanic!

Wynters65 🍷🗨️ You have others that enjoy the content .we have open minds .. I am willing to hear the good bad and ugly..

Collinwood01 🗨️ ^

Becklenay 🗨️ To understand history, we have to know and understand the bad parts. Otherwise we can never improve.

Collinwood01 🗨️ no volume

Wynters65 🍷🗨️ I have no sound

Becklenay 🗨️ No sound!

Wynters65 🍷🗨️ For a minute I thought it was just me

Becklenay 🗨️ Yes

Collinwood01 🗨️ 55

Wynters65 🍷🗨️ Yes Thank you

GPennell Yes

GPennell Yes

Becklenay 🗨️ AM radio style.

GPennell LOL!!!! Wonder how many people thought they were conspiracy theorists

UH

ronpartain 👑⚡🗨️ EVERYONE

UH

ronpartain 👑⚡🗨️ me included

GPennell Right!

UH

[ronpartain](#) 🙌⚡🗨️ I used to laugh at people like this

[Becklenay](#) 🗨️ When I questioned Y2K - I was called a conspiracy theorist.

[GPennell](#) Embarrassing me too!!

[GPennell](#) Questions around 9/11 got me outcasted

[Collinwood01](#) 🗨️ Internet is a double edged sword

[Becklenay](#) 🗨️ Stop anytime you need to.

[Wynters65](#) 🗨️🗨️ I was considered weird since I was tiny. Mom still says I march to the beat of a different drummer. It doesn't bother me to be called a conspiracy theorist

[Becklenay](#) 🗨️ [@Wynter](#) - the term my family used for me was 'old soul'

[GPennell](#) Me too!!! Kicked out of Catholic religion in 8th grade for asking too many questions

[GPennell](#) I was nicknamed little miss big mouth

[Wynters65](#) 🗨️🗨️ [@Beck](#) I would have accepted that as an endearment... I was the outcast. Straight A's in school, went to church alone. lol. was considered bad lol

[Becklenay](#) 🗨️ [@GP](#) - left the Catholic church in 1987 after a Mashuda called the book of Matthew "Hoolywood windoe dressing" to draw people in.

[Becklenay](#) 🗨️ I hope people can understand that through the typos and autocorrect.

[GPennell](#) Oh don't get me wrong... they did me a favor... but my parents were mortified!!! I was a public embarrassment because they wouldn't allow me to attend their school or have the confirmation ritual

[Collinwood01](#) 🗨️ Another suppressed book (more a brochure) is Protocols of the Learned Elders of Zion. Want a simple read that shows a plan for world domination, read it. I don't care who wrote it

[Becklenay](#) 🗨️ In hindsight, I wish I had saved hardcopy newspapers. They are changing what is available on the internet.

[GPennell](#) For sure!

[Collinwood01](#) 🗨️ WHAT?! Individual assesment?! NO WAY! Im bettin he got fired

[GPennell](#) I'd put money on that!!!

[Becklenay](#) 🗨️ [@GP](#) - I am glad for my Catholic school education. I was taught things in eighth grade that public school didn't cover until 12th.

[GPennell](#) True! They kicked me out in 8th grade... but never learned anything new for 3 more years!

[Collinwood01](#) 🗨️ You pause as often as you like. This is your deprogram. Were here because we want to hear all the content, your comments and the vids you present

[GPennell](#) Do what speaks to you Ron! It's cool!

[GPennell](#) Exactly Collinwood

UH

[ronpartain](#) 👑⚡🙏 thank you.... I want to be respectful of those who ARENT here for the live stream. Clearly yall appreciate my insertions. I just want to keep them to a minimum. :)

[Becklenay](#) 🙏 @GP - Catholic school taught according to the original standards. Many people do not know that high school was started as free college.

[GPennell](#) That is thoughtful of the people who couldn't make the live... but they will learn from your input as well!

[GPennell](#) @Beck you are so correct! Also, they (the nuns) were sooo strict that the students didn't act out often.... This helped that they didn't spend classroom time disciplining us

[Becklenay](#) 🙏 Bottles for people who asked to get a drink too often, bows in boy's hair that was longer than regulation, aprons for girls who wore their skirts too short..

[Collinwood01](#) 🙏 I went to public schools. 8th grade they stopped corporal punishment, 9th grade a student knocked a teacher out during class. The nuns had it right. Discipline is important

[GPennell](#) I had to sit in a garbage can one day because I sat in a different seat than assigned

UH

[ronpartain](#) 👑⚡🙏 the paddle was feared

[Collinwood01](#) 🙏 ^

[Becklenay](#) 🙏 I saw a boy strapped to his seat with a belt for fighting.

[GPennell](#) The ruler (with the metal strip) on the knuckles!!! I remember looking down to see if my finger tips were still attached!

[Becklenay](#) 🙏 @Ron - whatever we got at school - we knew we got more once we got home.

UH

[ronpartain](#) 👑⚡🙏 yikes... never had that

[GPennell](#) I hit two keys on the piano at the same time! Whack!!!!

[Becklenay](#) 🙏 Had a nun in 4th grade that gave us 5 seconds to answer times tables. Then we got rapped with a pointer on the head.

[GPennell](#) A boy got the wrong math answer at the black board and Sister Ann smashed his face into the black board!

UH

[ronpartain](#) 👑⚡🙏 my dad was on the school board, one of his best friends was my

high school principle. My mother was the leading sub teacher from the time I was in Jr High through my graduation.

[GPennell](#) Oh that's rough!!!!

UH

[ronpartain](#) I could not get away with anything

[Becklenay](#) I HATED Sister Sabastian in fourth grade- she taught me more than any other teacher I had.

[Wynters65](#) public school a boy needed to go to the bathroom. teacher tied him to his chair. Poor boy wet himself. I remember it streaming under my desk. I felt so bad for him. I yelled at the teacher 2nd grade

[GPennell](#) You didn't need cameras on you Ron!

[Becklenay](#) My Mum assisted at my Catholic school. Completely understand.

[GPennell](#) Oh Wynter that poor boy!

[Becklenay](#) @Wynter - I remember having issues at that age. We had to stand next to our desk and announce to the class our need.

[Wynters65](#) 8th grade Teacher started choking boy in front of me because he smiled. I beat the teacher off of the kid with my text book

[GPennell](#) Things sure are different these days!!!

[Collinwood01](#) How many ended up reading the book because they were told not to

[GPennell](#) Makes you wonder how it traveled so fast!

[Becklenay](#) @Ron, LOL Most of these people do not know Arsenio Hall. Or the Sax.

UH

[ronpartain](#) lol

UH

[ronpartain](#) I need to find a clip of arsenio

[Becklenay](#) @Ron - with Clinton

[Becklenay](#) @Ron Straight Up!

[GPennell](#) Hypocrisy at its best!

UH

[ronpartain](#) Ill play it before the end of the show

[Beckylyn](#) ron.... check out ninos post on telegram

[Collinwood01](#) <https://www.youtube.com/watch?v=PK5zqikbfUw>

UH

[ronpartain](#)    nice find

[Collinwood01](#)  might want to turn your mic of Ron

[Wynters65](#)   what was all that noise lol

UH

[ronpartain](#)    forgot to mute my mic.

[ronpartain](#)    lol

UH

[ronpartain](#)    I got up from my desk and said hello to my girl

[GPennell](#) LOL!

[Collinwood01](#)  Did the speaker just flip me the bird? lol

[GPennell](#) LOL

[Wynters65](#)   It wasn't me Collin

[Becklenay](#)  [@Ron](#) - Have you finally found someone that sees what we see?

UH

[ronpartain](#)    what do you mean?

[Becklenay](#)  A potential life partner.

[Wynters65](#)   That you are a great guy!

UH

[ronpartain](#)    nah... that was my cat

[ronpartain](#)    lol

[Becklenay](#)  My cat is my baby and best friend.

[GPennell](#) LOL... I thought Ron meant one of his cats when he said "my girl"

[Becklenay](#)  Ron need to meet his black cat for life.

[GPennell](#) His Hot Chocolate!!! LOL

[Collinwood01](#)  No such thing as bad publicity

[Becklenay](#)  [@GP](#) - His Panther.

[GPennell](#) This guy worked it!!! He is a genius!!!

[GPennell](#) That's funny [@becklenay](#)

[Wynters65](#)   Narcissistic Syndrome.. Thinking they're superior and above everyone they never thought they would have to play defense...

[GPennell](#) Right!!! How dare he!!!

[Wynters65](#)   The elite have always misjudged the intelligence of those they view as less than..one of their many shortcomings.

[GPennell](#) Sadly part of the elites narcissistic mindset is that everyone is beneath them!!!

[Collinwood01](#)  Just put the book from Sowell on hold at the library "White liberals and black rednecks. Any book recommendations you have would be great Ron, maybe put in the description? Just a suggestion

[GPennell](#)  great idea!!!

[Becklenay](#)  As a third generation Appalachian German (with a bit of Native American) - the elites have no clue how we live or what we need.

[ronpartain](#)    I have a stack of books next to me here, I will show them when he is done. Hes almost done

[Collinwood01](#)  I want to start gettin books just in case we have an internet blackout

[ronpartain](#)    you see the books behind me.... THAT is my library

[ronpartain](#)    its not a picture of books

[Becklenay](#)  [@Collin](#) - make sure you get how to books. They are trying to remove knowledge.

[ronpartain](#)    I will discuss that in a moment

[Collinwood01](#)  Good idea Beck!

[Collinwood01](#)  Amazing the power of words. I need to learn to use them more wisely.

[GPennell](#) Hahah! I thought Ron's background was a green screen!

 [ronpartain](#)   it is a green screen.... but the image IS my library

[Becklenay](#)  GP - It is a green screen of his library.

[Wynters65](#)   The power of words...They can lead or destroy. They can build up or tear down. They can foster love or hate. Choose wisely.

[GPennell](#) That is phenomenal!!!

[GPennell](#) Well said Wynter!

[Becklenay](#)  [@Wynters](#) - I pray before I speak. There are times that my tounge was held, other times words just spilled out. It was always for the best.

[Collinwood01](#)  Great to who would be the question. Like how they say our democracy... Who is the our theyre talkin about

[Collinwood01](#)  Great deprogram Ron, Thank you

[Wynters65](#)
