

EV Charging for All Coalition

The following organizations, faith communities, companies, elected officials, and individuals are supporters of the *EV Charging for All Coalition*, having signed onto one or more of our group letters or submitted their own letter advocating for equitable access to EV charging for residents of multi-family housing (MFH) in the CALGreen building codes. We appreciate the fiscal sponsorship of *Acterra: Action for a Healthy Planet* and *Plug In America*. If you'd like to get involved with the coalition, let us know here: <https://bit.ly/EVaccess>.
