

Uglympuppy's T.O.S and Prices

WHETHER YOU'VE READ MY TOS OR NOT, BY SENDING ME PAYMENT OR TRADING ME CHARACTERS, YOU HAVE AGREED TO MY TOS! So I recommend reading it.

MUST READ

- Upon commissioning me, the price of the piece may change depending on character complexity or if you're wanting add-ons.
 - I will of course let you know of the price change and make sure that you're comfortable with the given price.
- As an artist, I have the **right to refuse** a commission request for whatever reason I feel is necessary. No ifs ands or buts.
- Payment is always given up front via **CASHAPP**.
 - Paypal and Venmo are an acceptable form of payment as well BUT must be paid as Friends and Family.
 - When sending a payment, please include your username, what you're commissioning me for.
 - By sending payment, that means you have agreed to my TOS, regardless of if you've read it, or failed to have read it prior to.
- Once payment is received on my end, there are **NO REFUNDS** unless I specifically back out or cannot complete your commission for whatever reason. If that is the case, then you will receive a full refund.
- Commission turnaround can be anywhere from one (1) day to one (1) month or longer. I generally get my commissions done quickly as I don't like people waiting but sometimes it may take me longer due to in-person issues.
- Do NOT constantly ask me for updates. You will be updated when I have a chance to work on your commission.
- I do NOT take rush commissions. I complete my commissions in a timely manner and in the order I get them in. If you're unhappy with the wait time, then please do NOT commission me.
- If you are interested in commissioning me for NSFW or suggestive artwork, you **MUST** be 18+ and have a valid license (NOT expired) to provide proof of age.
 - To properly provide proof, you would send me a photo of your license (covering any info you do not wish to share) with a piece of paper next to it that has your username written on it.
 - Failure to provide proof of age or if I am to find out you lied about your age, you will be blocked and black listed.
 - If I suspect you are NOT 18+, I may require additional proof, i.e. a picture of your face next to the ID (I have had people try fake IDs before)
- My prices are subject to change at any given time, if they do, I will make a post about it over my social media account.
- I **DO NOT** DRAW HUMANS!!

- I am limited to drawing animals! If I am uncomfortable drawing a specific species or don't feel like they will suit my style, then I will politely decline.
- If I make you a design you may do as you please with them but please keep these in mind
 - Do NOT heavily alter the design to where my design is no longer recognizable
 - Please always credit me for the design when uploading the piece I made specifically; (on Toyhouse, instagram, X, Twitter, etc.)
 - NEVER EVER draw or color over my artwork/design to make it more appealing to you. You will be banned and blacklisted.

CHARACTER TRADES/SALES

- When trading me a character, that character then assumes the value of the character I traded to obtain yours and/or the value of the artwork I made.
- If I trade you a character, you may do whatever you'd like with it. If it is one of my designs, please read above to see my guidelines.
- If I sell you a character, you may only sell it for the value you paid for it unless you have added personal artwork or commissioned artwork.
- If I asked you to ping me before selling or trading a character you obtained from me- PLEASE DO. I just want to know where they're going or if I may want them back! (No, this does not mean you can't trade or sell them to anyone else, I just like to know when/where designs are going that I heavily love.)
