Rooming Selection

If you have a preferred roommate, please make your request while completing the registration form.

Important Air Travel Notice

Please note that participants are responsible for purchasing airfare to/from the DBi destination and ensuring that they have all necessary travel documents such as but not limited to medical certifications, entry visa(s), transit visa(s) and a valid passport in order to travel. Please ensure that you have all necessary travel documents for all countries visited throughout your flight itinerary.

Visas

Students are responsible for securing their own visa(s) for entry into the DBi location country (if applicable). It is your responsibility to apply for and receive the appropriate visas for your passports in a timely manner for the course. Refunds are not provided for those students who fail to secure the necessary travel visas. We strongly encourage you to begin the process as soon as possible to avoid any complications later in the semester. If you require additional documentation to process your visa (such as a hotel confirmation letter), we will provide this to you on your behalf.

Health & Dietary

NYU will communicate dietary restrictions to all necessary partner institutions. Please be aware that not all partners may not be equipped to accommodate all requests. We ask that program participants conduct research on their own to learn about the destination's food options and independently arrange their own meals when necessary. Partial refunds cannot be issued.

Hotel Services

- 5 nights hotel accommodations in shared rooms
- Breakfast served daily at the hotel
- In room Wi-Fi included
- All hotel taxes included
