

Writing a note- example

You got a phone call from your Granny and you have to go and see her. Leave your English flatmate Ann/Nick a note. In your note:

- explain where you are going
- say what chores you've done
- ask your friend to do the washing –up
- ask your friend to meet you at the Internet café later

Write 50 words

Suggested Answer

Ann,

Granny called. So I have to go and see her.

I took out the rubbish, hoovered the carpet and mopped the floor.

Can you do the washing-up? Sorry for the short notice. Meet me at the Internet café at 8:00. If you need something, call me.

Cheers, (See you)
