Introduction

As of v. 4.5.1 build 3338-oauth-login-fa9b8b4 on <https://shibtest.dataverse.org> we have made progress on working through the requirements at <https://help.hmdc.harvard.edu/Ticket/Display.html?id=243154#txn-4888121> (click "Show quoted text") that we would like to share screenshots with ORCID Support.

Requirements

For anyone who doesn't have access to that support ticket, here are the requirements:

"You can read through the check list of things to ensure before getting your Member API credentials on the production server here:

<https://members.orcid.org/api/member-credential-check-list>

This gives us an opportunity to help troubleshoot any issues that might arise when transitioning to the production registry and to

see the neat integrations that members have built. This demo can be completed by:

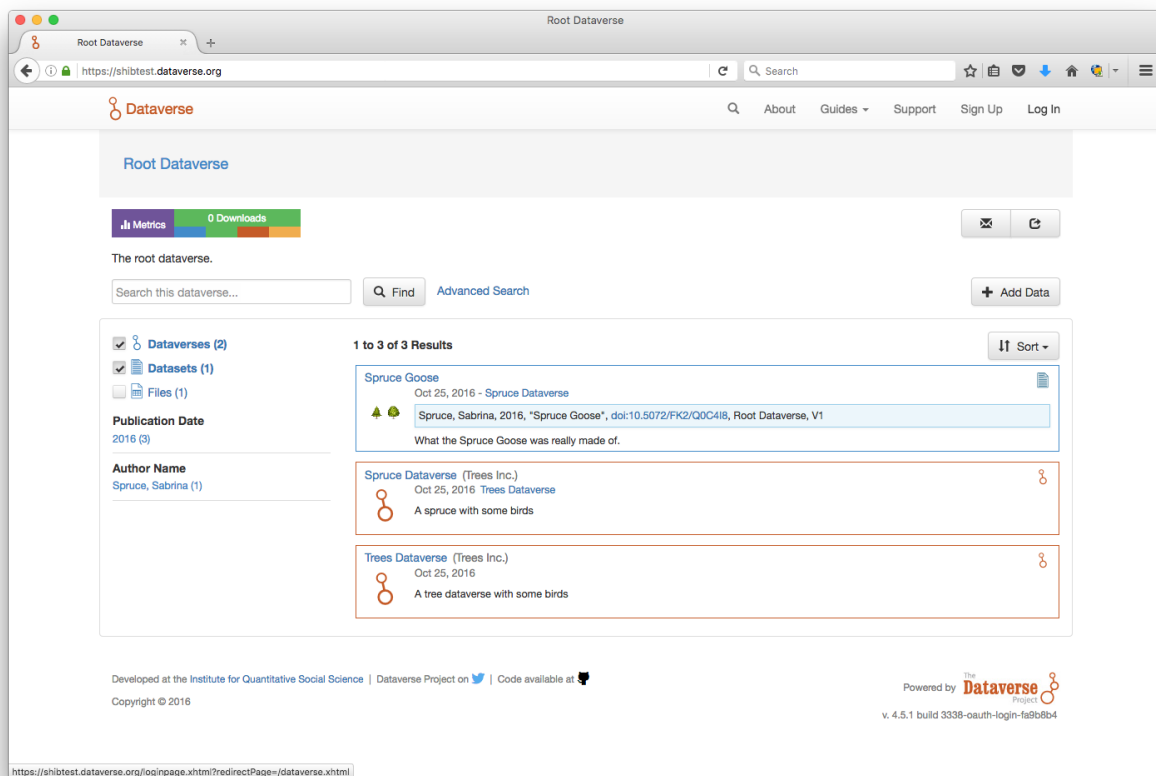

- * Sending us a link to your test site
- * Sending us a recorded screencast/set of screenshots
- * Scheduling a live demo via webinar

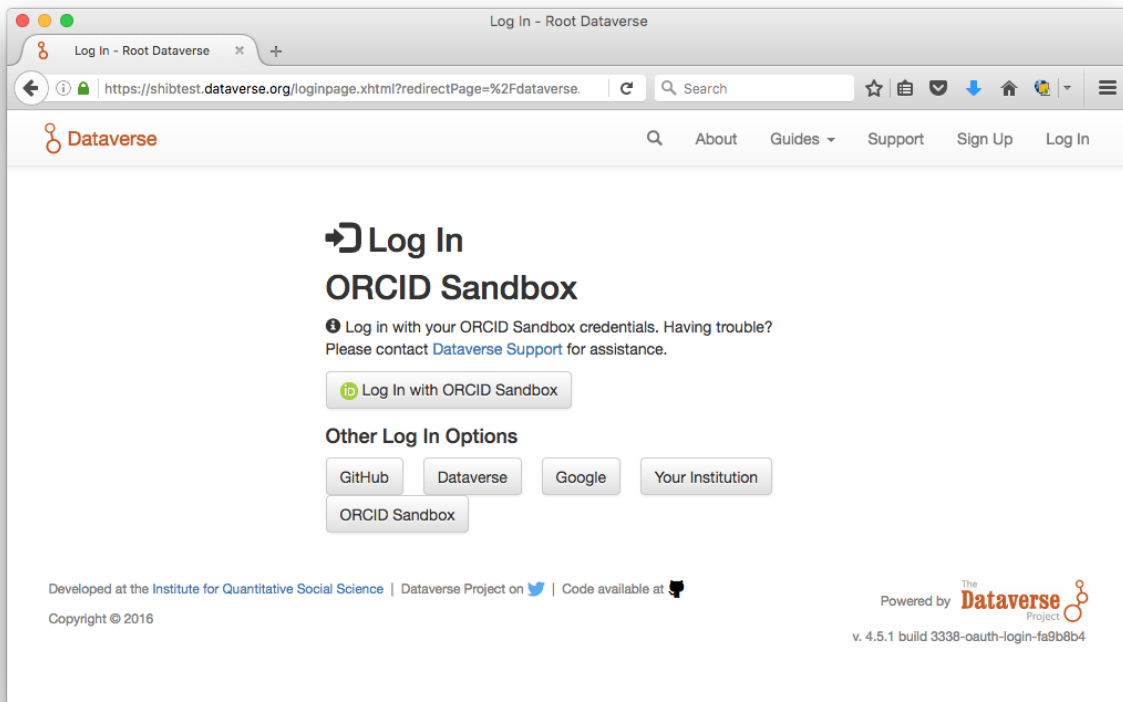

When you're ready for your production credentials, just send your demo over or let's schedule a live demo (we can follow up with GotoMeeting invitation)."

Link to test site

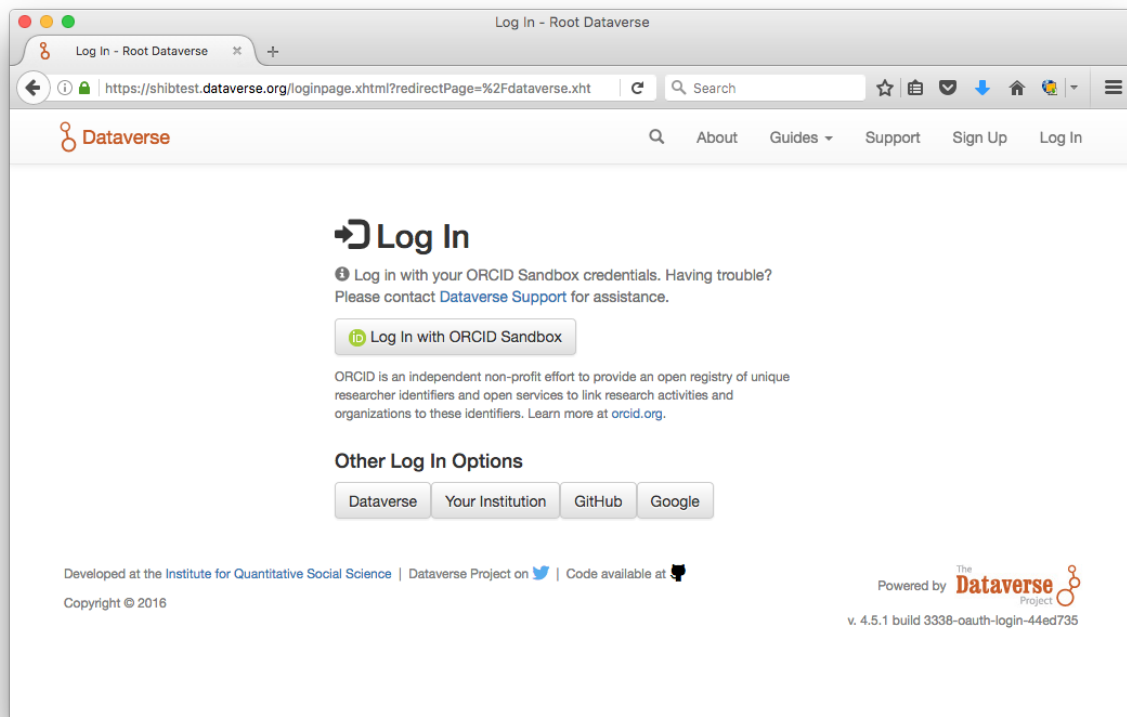

Again, the test site is <https://shibtest.dataverse.org>

Screenshots

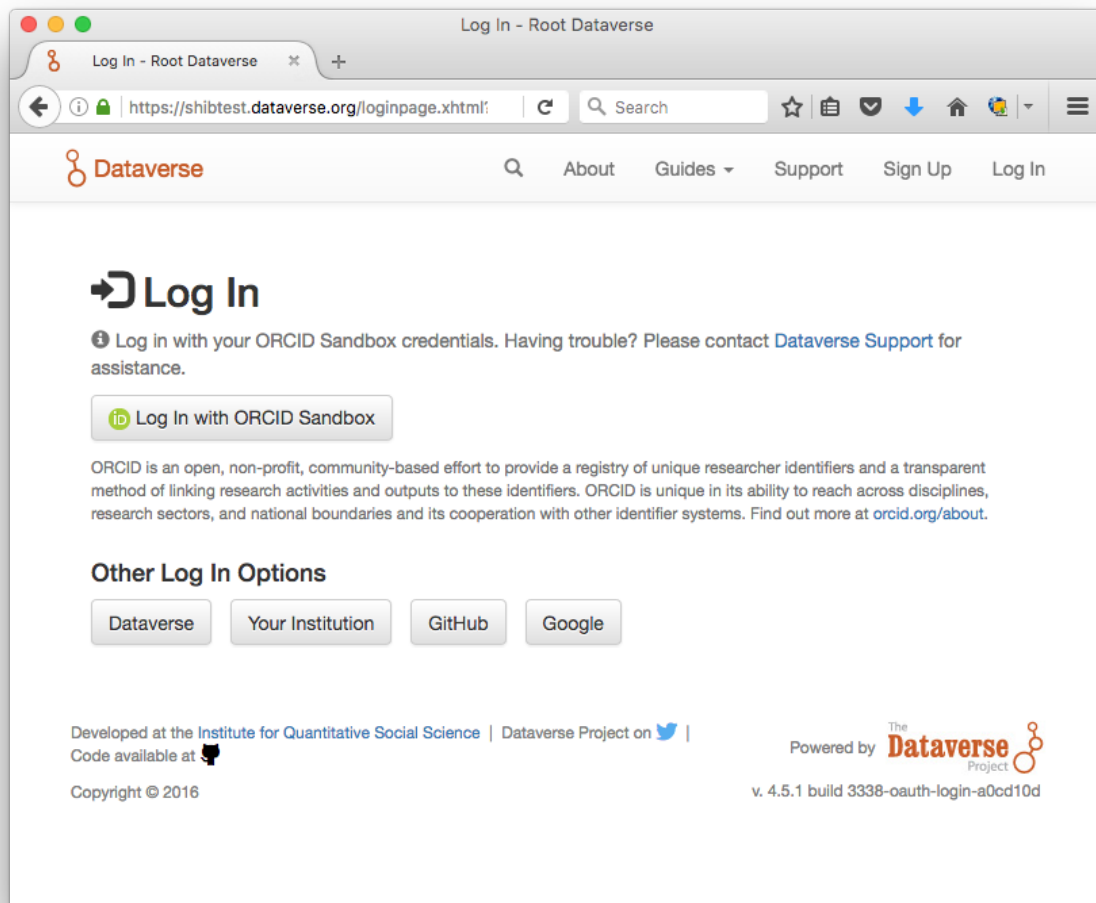

2016-11-22 Update: Here's a newer screenshot from commit 44ed735:

2016-11-28 Update: ORCID approved the original text we sent (changing only the link) so here's an updated screenshot as of commit a0cd10d:

ORCID

Harvard/IQSS/Dataverse ?

has asked for the following access to your ORCID Record

Read limited information from your record

☒ Allow this permission until I revoke it.
You may revoke permissions on your account settings page. Unchecking this box will grant permission this time only.

This application will not be able to see your ORCID password, or other private info in your ORCID Record. [Privacy Policy](#).

Already have an ORCID iD? [Sign In](#)

As per ORCID's [terms and conditions](#), you may only register for an ORCID iD for yourself.

First name *

Last name

Email *

Re-enter email *

Create an ORCID password *

Confirm ORCID password *

Your ORCID iD connects with your ORCID Record that can contain links to your research activities, affiliations, awards, other versions of your name, and more. You control this content and who can see it.

By default, who should be able to see information added to your ORCID Record?

   ?

Email frequency

The ORCID registry provides notifications about things of interest, like changes to your ORCID record and new and events. How often would you like these notifications delivered to you via email?
