

2021-22 Program Review: Recommended Prompts and Process

1. "Theme" for prompts

Link to [feedback received](#) from divisions

Continue to use COVID-related prompts that we used during the 2020-21 year

2. Platform/Tool for Program Review

Continue using GoogleDocs and GoogleSheets, with minor modifications to further streamline the process. **See sample PR template linked below**

3. Continuity from Program Review Reflections (Narrative) → Action Plans

The GoogleDoc, in which program review leads write the narrative, will include links to both last year's Action Plans as well as a link to the Action Plan template for next year.

See sample PR template linked below

4. "Closing the loop" from last year

As noted above, the Program Review will lead with review of last year's Action Plans...
