

PCHC: Learner Evaluation

Start of Block: Block 1

Learner Evaluation **Population and Community Health Clerkship**

Student name **Please provide the name of the student that was assigned to you:**

Instructions

On a scale of 0-4, where (0 = strongly disagree, and 4 = strongly agree), how would you rate the students you met with on each of the following.

We'd expect most students to be around a 3 or 3.5 at this point in their training; A physician in practice would be a 4 on this scale.

End of Block: Block 1

Start of Block: Default Question Block

Q1 The student demonstrated professionalism (i.e., honesty, integrity, altruism, compassion, boundaries, and respect) through their behavior.

*On a scale of 0-4, where (0 = strongly disagree, and 4 = strongly agree), how would you rate the students you met with on each of the following. **We'd expect most students to be around a 3 or 3.5 at this point in their training; A physician in practice would be a 4 on this scale.***
