

code of conduct

## Innogeeks Winter of Code - Code of Conduct

Welcome to the Innogeeks Winter of Code. We are committed to fostering an environment that is collaborative, inclusive, and respectful for all participants. Contributors are expected to adhere to the standards outlined in this Code of Conduct.

**1. Be Respectful:** Regardless of their origin, identity, experience, or opinions, treat each individual with respect. Derogatory language, personal attacks, and discriminatory conduct should be avoided.

**2. Cultivate Inclusivity:** Our organization is dedicated to nurturing an inclusive and diverse community. Use appropriate language and actions to make others feel welcome and respected. Engage in no sort of harassment, discrimination, or exclusionary behavior.

**3. Collaborate Constructively:** Collaboration is the foundation of open source. Be receptive to the opinions, ideas, and suggestions of others. Offer constructive criticism and have good talks. Natural differences should be handled professionally.

**4. Be Professional:** Exhibit professionalism in all encounters. Avoid offensive jokes, advances, and disruptions. Bear in mind that you are in a professional setting.

**5. Respect privacy:** Respect others' privacy and secrecy. Share personal information only with consent and avoid having private conversations in public on the Discord server.

**6. Employ Inclusive Language:** Employ language that is respectful of all cultures, origins, and genders while chatting in the Discord server or Repositories chat section. Recognize that your remarks can influence others.

**7. Harassment Policy:** No harassment, including verbal, written, or visual, is allowed. This includes unpleasant remarks, intimidation, stalking, unwanted attention, and any other sort of disrespectful behavior.

**8. Reporting Incidents:** Report any breaches of this Code of Conduct to the organizers immediately at Official Discord Server. All reports will be taken seriously and investigated promptly. We promise to respond quickly and fix problems.

**9. Consequences of Violation:** Violations of the Code of Conduct may lead to warnings or permanent expulsion, depending on severity and frequency. Program organizers will prioritize community well-being.

By taking part in the Innogeeks Winter of Code, you agree to follow our Code of Conduct. Let's work together to create a welcoming and productive environment for all participants.

Thank you!
