## May 18 - May 21, 2020 Third Grade Continuity of Learning Plan

- All assignments are graded and put in the gradebook. There will be a 4th report card. Instead of 1,2,3,4 we will be grading with the codes *M (meeting)*, *P, (progressing)* *LP (limited participation)*.
- Communication and Office Hours: Please communicate with me if you have any questions, concerns, or if your child is unable to participate in the assignments. I am very flexible and understanding of our students and families social and emotional circumstances during this unprecedented time. You may reach me during the office hours listed below. Or through the email, and Class Dojo. Please note that all communications will be returned within 24 hours. All messages after 4:00 PM will be returned the following school day.
