Grow Your Own Education & Training Action Planning

Directions:

1. In Sections 1-4, start with green areas of **Required Actions** (#7 will address **Actions to Consider**)
    a. Required Actions: Actions that must be taken per grant requirements. Refer to the GYO E&T Grant Requirements Document as needed.
    b. Actions to Consider: Actions that are not required by the grant, but may need to be considered for quality implementation
2. Skim through the **Suggested Timeline** column for when to take these actions. Note that some actions specific to Year 1 have already passed on the timeline and have been grayed out. You may wish to start planning the timeline of similar actions for Year 2.
3. Determine an **Actual Timeline** that is feasible for your team, considering the district/campus calendar and turnaround times for completing certain actions. Try to be specific when possible (e.g., writing the specific month or dates if it can happen within that timeframe).
4. Identify **Owner(s)** for each action. Ensure that the owner(s) would be the appropriate person(s) to take on the action (i.e., has the necessary knowledge, skills, and capacity).
5. As you go through this process, you may capture any additional notes or actions in the **Additional Notes** box under each Section.
6. In Section 5, answer the prompts to coordinate how the action plan will be monitored
    a. Include descriptors that will be used in the **Progress** column (e.g., Complete, On Track, Off Track, etc.) and what level of detail will be used to update the status of that action
7. In Sections 1-4, fill out green areas of **Actions to Consider** that your team can commit to taking
8. In Section 6, answer the prompts to identify immediate next steps.
9. If time permitted, start filling out green areas of Year 2 template immediately following Year 1 template.
