

PRINCESS CAMILLA OF NOHR.

the oldest princess of the dark kingdom of nohr, camilla is a force to be reckoned with both on and off the battlefield. to her enemies, she is a ruthless killer armed with deadly axe and tome, but to her allies, she is a caring protector attentive to their every want or need. especially doting on her siblings and retainers, her care can easily swing into the realm of being overbearing, overwhelming, and even unhealthy, with her maladaptive coping mechanisms and habits stemming from a bloody childhood thanks to her parents.
