

Clackamas Community College Fall 2025 Online & Face-to-Face Tutoring Options

The Dye Learning Center is providing the following options for tutoring:

1. **For most subjects you can schedule an appointment at [WCOOnline](#).** Written instructions are [here \(Direcciones en español\)](#).
 - For help in math, science, writing, accounting, technology or Moodle help students can **Meet over Zoom** or **Face-to-Face**. Appointments can be between 15 minutes and 1 hour. Writing Center appointments are 30-50 minutes (Face-to-Face) or 50 minutes (Zoom). It's okay to use less than your full appointment time in all subjects to ask a quick question! We have **Face-to-Face** tutoring at both **Oregon City** and **Harmony**. Check [WCOOnline](#) for more information.
 - In some subjects you also have the option to upload a paper or documents for a tutor to return feedback at a scheduled time through our **Drop-off Paper for Review** option. Check [WCOOnline](#) for more information. All classes are listed in [this schedule](#).
2. **For other subjects not listed or for extended hours of online tutoring, students have up to 7 hours free with Brainfuse**
To begin, click on [Brainfuse Access through Moodle](#). A new window will open (be sure pop up blockers are disabled). [More Brainfuse info here](#).
3. **Math Study Groups:** Peer Mentors will host Study Groups for select math courses. For more information visit [our schedule](#).

Computer Labs available for current students:

[Dye Learning Center Academic Computer Lab](#)
