[Scene: Near Tamayo's mansion. Susamaru and Yahaba arrive.]

Susamaru How should we kill them, I wonder.

Fufufu! I'm overflowing with power.

Thanks to all the blood he shared with me.

Yahaba We're going to slay them brutally, of course.

[Action: A temari ball comes flying through the wall of the house.]

Yushirou Ah...! Get down!

[Action: Yushirou protects Tamayo and Tanjirou protects Nezuko as the temari ball bounces wildly around the room. The balls return to Susamaru.]

Susamaru Hahaha!

Yahaba Fufufufu... Did you decide how to kill them?

Susamaru Brutally, of course!

[Action: Susamaru throws the temari balls back into the house.]

Susamaru Hehehe!

Yahaba Ha!

Yushirou Ngh...!

Tanjirou Ngh... Kuh!

[Scene: At Tamayo's mansion. The temari balls once again return to Susamaru.]

Susamaru Hahaha! You were spot on, Yahaba!

A building just appeared out of thin air!

Yahaba Yes. The handiwork of a demon that's adept at hiding objects.

And is the demon hunter accompanied by a demon? What's going on here?

Susamaru Hahahaha! Isn't this fun?

Yahaba Still, I have to point this out, Susamaru... Your way of doing things is too immature. It's too careless.

You covered me! My kimono is all covered in dirt now! Tsk...

Susamaru Oh, stop whining! We managed to find them right away thanks to my temari, so who cares?

And now we can have lots of fun!

[Action: Susamaru throws her temari balls back into the house. They return to her again.]

Yahaba Tsk... You've gone and covered me in dirt again!

Susamaru You're so uptight. Your kimono isn't the least bit soiled.

And besides... Hahaha!

There they are!

Tanjirou (Thoughts) A temari? She caused this much damage just by throwing around a toy?

Yushirou (Thoughts) That woman... Is she one of Kibutsuji's minions?

Susamaru Hahahaha! Hah!

[Action: Susamaru throws her temari balls at the house again. They fly around wildly.]

Tanjirou Ngh...!

[Action: A temari ball goes flying at Yushirou.]

Yushirou Lady Tamayo! Ah...!

[Action: The ball changes direction suddenly.]

Yushirou Ngh...!

[Action: The temari ball smashes through Yushirou's head.]

Tanjirou Yushirou!!

Dammit!

Nezuko! Take the lady sleeping in the back somewhere safe outside!

Nezuko Mm...

Tamayo It's too dangerous outside! We have a basement, so take her there!

Tanjirou Understood!

Nezuko!

Nezuko Mm!

[Action: Nezuko runs off to find the woman sleeping in the other room. Tanjirou draws his sword.]

Susamaru Hahaha! That's one out for the count!

Tanjirou (Thoughts) She's giving off a totally different scent from any of the other demons!

(Thoughts) Is it stronger? It has a really thick scent! It feels so heavy once it enters my lungs!

[Action: The temari balls return to Susamaru.]

Susamaru Hm? The demon hunter wearing hanafuda earrings... That'd be you, huh?

Tanjirou Ah...

(Thoughts) I'm the one they're targeting?

Miss Tamayo! Please find a safe place to hide! I'm the one they're after!

Tamayo Tanjirou, please don't worry about us. We'll be fine without your protection.

We're demons, after all.

Susamaru All right... It's all over for you now!

[Action: Susamaru throws a temari ball at Tanjirou.]

Tanjirou (Thoughts) That temari will only veer if I try to dodge it.

[Action: Tanjirou closes his eyes and concentrates on the ball.]

Tanjirou Kuh...!

(Thoughts) Of the ten forms, the fastest thrusting technique is...

(Thoughts) Total Concentration! Water Breathing!

(Thoughts) Seventh Form! Droplet Ripple Thrust Curve!

[Action: Tanjirou stabs through the temari ball with his sword.]

Susamaru (Thoughts) Oh, so your plan is to thrust at the curve diagonally to soften the temari's blow?

(Thoughts) However...

[Action: The temari ball begins to move on Tanjirou's sword.]

Tanjirou Ah...!

[Action: The temari ball removes itself from Tanjirou's sword.]

Tanjirou Ngh...!

(Thoughts) Ngh... How can that temari move around like that?

(Thoughts) It swerved unnaturally when it struck Yashirou, too!

(Thoughts) It's not like it has any natural spin to it, and yet... What's going on?

Tamayo Yushirou! Yushirou!

[Action: Yushirou's head begins to reform.]

Yushirou La...

Tanjirou Erk!

Yushirou Lady Tamayo! Didn't I tell you?

We shouldn't get involved with that demon hunter! I told you from the start!

My masking technique is still a work in progress! I know you're well aware of that yourself!

I may be able to conceal the presence of buildings and people, and even their scents, but it's not like I can hide their very existence!

Tamayo Ah...

Yushirou The greater our numbers, the more traces we'll leave, which increases the odds of Kibutsuji discovering us!

Tanjirou (Thoughts) Those demons got so close, yet there was no scent until they attacked.

(Thoughts) So that was the work of Yushirou's Blood Arts, huh?

Yushirou Anyone who ruins the time I spend alone with you... I despise such people!

I despise them with all my heart! It's unforgivable!

Susamaru Hahaha! Hey, he's just blabbering away!

[Action: Susamaru flings her overcoat away and opens her top.]

Susamaru This is fun! I'm having so much fun!

You should feel honored to be killed by me, one of the Twelve Blood Moons!

Tanjirou Twelve Blood Moons?

Tamayo They serve directly under Kibutsuji!

Susamaru Hahahaha!

[Action: Four more arms appear from Susamaru's sides.]

Tanjirou (Thoughts) She grew more arms!

Susamaru Now then, let's keep playing!

Until the break of dawn! Until it's your time to go!

[Action: Susamaru throws six temari balls at Tanjiro.]

Tanjiro Ngh...!

[Action: Tanjiro dodges the attacks. The temari balls go flying wildly around the room. One hits Yushirou's cheek.]

Yushirou Kuh...!

Tamayo (Thoughts) If I were to cast my Blood Arts now, it would affect Tanjiro as well.

(Thoughts) And Yushirou needs time to prepare before he can attack.

(Thoughts) But if this goes on...

[Action: Tanjiro deflects some of the temari balls with his sword.]

Tanjiro (Thoughts) There it is again! They changed trajectory again, even without hitting anything!

[Action: Tanjiro cuts a few of the temari balls in half, but they still attack him.]

Tanjiro Ngh...!

(Thoughts) Even if I cut them and they lose force, they still end up hitting me anyway!

Ugh... Ngh...!

(Thoughts) I can smell two different scents of blood. That means there are two demons! I can locate them with their scent! But...

[Action: Three temari balls fly toward and injure Tamayo and Yushirou.]

Tanjiro Miss Tamayo! Yushirou!

[Action: A temari ball flies toward Tanjiro. He blocks it with his sword.]

Tanjiro Kuh...

(Thoughts) I can't... I don't have time to protect them!

Tamayo We'll heal soon enough! Don't worry about us!

Yushirou Hey! You dumbass demon hunter! The arrows show which direction they're going!

Just dodge the arrows!

Tanjirou Arrows?

Yushirou Seriously, you can't even see them?

[Action: Yushirou takes a piece of paper out from his clothes.]

Yushirou I'm going to lend you my sense of sight!

That should at least enable you to behead that temari woman! Ngh!

[Action: Yushirou throws the piece of paper at Tanjirou. It lands on his forehead. Tanjirou can see the arrows.]

Tanjirou (Thoughts) I can see them now! She was using those arrows to control... the trajectory of the temari!

[Action: Five temari balls come flying at Tanjirou. He manages to dodge all of them.]

Tanjirou Thanks, Yushirou! I can see the arrows now, too!

Yushirou Hurry up and defeat her then!

[Action: Nezuko appears from the back room.]

Tanjirou Nezuko!

Let's go outside! Take care of the demon up in the trees!

Nezuko Mm.

[Action: Nezuko heads outside with the temari balls following. Tanjirou follows behind. Nezuko heads for the trees.]

Tanjirou I'm your target!

Susamaru The demon hunter wearing hanafuda earrings...

No question about it. I'm going to bring your head to our lord!

Tanjirou Kuh...!

Susamaru Hahahaha! This is fun!

[Action: Susamaru throws more temari balls at Tanjirou. He runs as they follow him.]

Tanjirou (Thoughts) Nezuko, how much longer will it take?

[Action: Nezuko finds Yahaba in the trees.]

Yahaba Hm?

[Action: Nezuko launches her attack on Yahaba.]

Nezuko Ngh... Ngh!

Yahaba Ah!

[Action: The arrows following the temari disappear.]

Tanjirou (Thoughts) They're gone!

[Action: Tanjirou slices through the temari balls.]

Tanjirou (Thoughts) Water Breathing!

Haah!

(Thoughts) Third Form! Flowing Dance!

[Action: Tanjirou slices all of Susamaru's arms off.]

Tanjirou Miss Tamayo! Do these two demons have high concentrations of Kibutsuji's blood?

Tamayo Most likely.

Tanjirou In that case... I'm going to be extracting their blood!

[Scene: In the past, at Tamayo's mansion. Tamayo, Yushirou, Tanjirou, and Nezuko are gathered.]

Tamayo (Flashback) I have two favors to ask of you.

(Flashback) One, permission to study your sister's blood.

(Flashback) Two, to retrieve as many blood samples from demons with a high concentration of Kibutsuji's blood as you can.

(Flashback) A demon with a high concentration of Kibutsuji's blood means a demon close in strength to Kibutsuji himself.

(Flashback) It won't be easy to extract blood from such demons.

[Scene: In the present. Tanjirou fights Susamaru.]

Tanjirou (Thoughts) Third Form! Flowing Dance!

[Action: Tanjirou cuts off Susamaru's arms.]

Tanjirou Miss Tamayo! Do these two demons have high concentrations of Kibutsuji's blood?

Tamayo Most likely.

Susamaru Hahahaha! You think you can extract our blood?

I don't know what you're scheming, but I won't allow you to do anything that displeases our lord!

Tanjirou Ah...!

Susamaru If you think you can extract blood from us Blood Moons, then go ahead and try!

Yushirou Watch your back! Don't let your guard down for a single second!

If those two really are from the Twelve Blood Moons, then they're undeniably more formidable than any other demon you've slain up to this point!

Tanjirou Right! Understood!

Watch my back, don't let my guard down for a single second, undeniably... until now...

Right! I'll do my best!

Yushirou Lady Tamayo!

Let's use those two as decoys and escape!

Tamayo Ah!

[Action: Tamayo makes a horrified face at Yushirou.]

Yushirou I'm just kidding!

[Scene: In the trees. Nezuko makes her assault on Yahaba.]

Yahaba Hm?

Nezuko Ngh!

[Action: Yahaba blocks Nezuko's attack with his arms.]

Yahaba Gah!

Tsk...

Don't stir up dirt like that.

So filthy!

[Action: The eyes on Yahaba's hands close, and Nezuko is flung to the side.]

Nezuko Ngh...!

[Scene: On the ground. Tanjirou faces Susamaru.]

Susamaru Hahahaha!

[Action: Susamaru's arms grow back.]

Tanjirou (Thoughts) She grew new arms in such a short time!

(Thoughts) She can regenerate way faster than the demons I fought during the Final Selection!

Susamaru I'm going to bring him that head of yours.

[Action: Nezuko comes flying at Tanjirou from the trees.]

Tanjirou Ah...! Nezuko!

Yahaba Hmph.

Susamaru Now then, why don't you two die together?

[Action: Susamaru throws the temari ball at Tanjiro and Nezuko, but Tanjiro pushes them both out of the way.]

Nezuko Ngh...

Tanjiro Kuh... Are you okay, Nezuko?

Yushirou Hey, demon hunter!

Tanjiro Ah...

Yushirou You get rid of that arrow man first! The three of us will take care of that temari woman!

Tanjiro Understood!

Nezuko, whatever you do, don't push yourself too hard.

Nezuko Mm...

[Action: Nezuko sees Yashirou and Tamayo emerging from the house. In them she sees her mother and her younger brother Rokuta.]

Nezuko Ah... Ngh...!

Tanjiro I'm counting on you.

[Action: Tanjiro rushes toward Yahaba while Nezuko rushes toward Susamaru.]

Tanjiro (Thoughts) I swear... I'm going to extract their blood!

(Thoughts) If it means the medicine will be perfected even a minute sooner, I'll gladly face any demon!

(Thoughts) I'll fight and win!

[Action: Tanjiro sees the string attached to Yahaba's neck.]

Tanjiro (Thoughts) There it is! The opening thread!

Yahaba Tsk... What a grimy little imp you are.

Stay away from me!

[Action: The eye on one of Yahaba's hands closes. The opening thread snaps.]

Tanjirou (Thoughts) The thread snapped!

[Action: An arrow appears under Tanjirou's foot. He steps on it, sending him back.]

Tanjirou Ahh!

[Action: A second arrow sends Tanjirou flying against a tree.]

Tanjirou Ugh... Ngh...!

[Action: More arrows send Tanjirou flying wildly.]

Tanjirou (Thoughts) This hurts! I mean this really... It seriously hurts!

[Action: More arrows send Tanjirou flying high into the sky.]

Tanjirou Ahh!!

[Action: The arrows drop Tanjirou from up high.]

Tanjirou Ngh...!

(Thoughts) A form! I need to lighten the impact with one of my forms!

(Thoughts) Eighth Form! Waterfall Basin!

[Action: Tanjirou manages to stop his fall.]

Tanjirou Ngh...

Susamaru Hahaha!

[Action: Susamaru throws temari balls at Nezuko.]

Nezuko Mm... Ngh...

[Action: Nezuko dodges the attacks. Yushirou runs toward Susamaru and vanishes.]

Susamaru He vanished?!

Yushirou Haah!

[Action: Yushirou begins fighting Susamaru.]

Susamaru Ngh... Ahh!

[Action: Yushirou reappears.]

Yushirou You hurt Lady Tamayo! I'll never forgive you for that!

Yahaba Tamayo?

Hey, Susamaru, the one over there... Wouldn't that be Tamayo the fugitive?

She'll make a great souvenir!

Susamaru Is that so?

[Action: Susamaru throws temari balls at Nezuko and Yashirou.]

Nezuko Ngh...!

[Action: Nezuko brings her leg back.]

Yushirou Idiot!

Tamayo You mustn't kick it!

[Action: The temari ball flies through Nezuko's leg. She falls.]

Susamaru Hahahaha!

[Action: Susamaru kicks Nezuko into Tamayo's mansion.]

Nezuko Ngh...!

Susamaru This is fun! I'm having so much fun!

Kickball sure is fun.

Yahaba! You think four heads will be enough to take home?

Yahaba No. We're taking just two. The demon hunter and the fugitive.

We have no use for the other two.

Tanjirou Kuh...!

[Action: Tamayo tends to Nezuko's leg.]

Tamayo Nezuko...

(Thoughts) The bleeding isn't stopping instantly. She recovers so slowly.

This medicine will help heal your leg right away, all right?

[Action: Tamayo injects Nezuko with medicine. Nezuko sees Tamayo as her mother again.]

Nezuko Ah...

[Scene: Outside in the garden. Tanjirou faces off against Yahaba.]

Tanjirou (Thoughts) What should I do? I can't afford to lose!

(Thoughts) But even if I can see the opening thread, tracing it will be difficult!

(Thoughts) Any move would be pointless... unless I can land my blow with pinpoint accuracy!

(Thoughts) If I'm off by even a little, it won't be strong enough to take him down!

(Thoughts) He'll just change the blade's direction using his arrow skills!

(Thoughts) And I hate to say it, but those eyeballs are really creepy! Though I hate to say it!

[Action: An eye on Yahaba's hand closes.]

Yahaba Hmph! Hahahaha!

[Action: Arrows fly toward Tanjirou. He dodges out of the way.]

Tanjirou (Thoughts) These arrows are so fast!

(Thoughts) And they won't disappear until they hit me! I can't cut them with my sword, either!

[Action: Tanjirou brings his sword down on one of the arrows.]

Tanjirou (Thoughts) The instant the blade touches them, I'll get blasted in the arrow's direction!

[Action: The arrow flies Tanjirou into a wall.]

Tanjirou Ugh... Gah...!

[Action: Tanjirou loses his grip on his sword.]

Tanjirou (Thoughts) What should I do?

[Action: An arrow sends Tanjirou flying upward.]

Yahaba Hah!

Tanjirou Ah...!

[Action: An arrow wraps around Tanjirou's arm.]

Tanjirou Gah!

Yahaba Everything is going in the direction I want it to!

Your arm's gonna get twisted right off!

Tanjirou Ngh...!

[Action: Tanjirou runs up a tree.]

Tanjirou Ngh!

[Action: Tanjirou flips off the tree, removing the arrow from his arm.]

Yahaba (Thoughts) You eluded it by spinning in the same direction as the Pure Crimson Arrow?

(Thoughts) Damn monkey!

Tanjirou Ngh...!

(Thoughts) I can't take much more of his attacks! I've gotta strike back!

(Thoughts) I've gotta change the arrow's direction without touching it directly!

Yahaba Tsk... It's about time to die!

[Action: Yahaba sends more attacks toward Tanjirou.]

Tanjirou (Thoughts) Adapt your movement!

(Thoughts) First, use the Sixth Form to envelop the arrow!

(Thoughts) Then use the footwork of the Third Form... to close in on him!

[Action: Tanjirou runs toward Yahaba.]

Tanjirou Haaa!!

(Thoughts) Twist! Envelop!

(Thoughts) Flowing Maelstrom Spin!

Yahaba Kuh... Ngh...!

[Action: Yahaba sends more arrows toward Tanjirou.]

Tanjirou Ngh...!

(Thoughts) My sword feels so heavy! But even so...!

(Thoughts) Modified Second Form! Horizontal Water Wheel!

[Action: Tanjirou's attack hits its mark, beheading Yahaba.]

Yahaba Gah...!
