

Kenosha Unified Athletics – Hall of Fame Inductee – Class of 2012

Mike Umscheid – 2002

Tremper High School's Class of 2002 produced a three sport letter winner by the name of Mike Umscheid. Mike lettered in both his senior and junior years in football, basketball and baseball. The Southeast Conference also selected Mike for both their football and baseball teams. Not surprisingly, he was named Tremper's athlete of the year in 2002. Besides his prowess in three sports, he was a team captain on the gridiron and basketball court, earned the Tremper Trojan's baseball MVP, received the Principal's award for leadership, was ranked in the upper 25% of his graduating class and participated in the Holiday Food Drive throughout his high school career.

Upon graduation, Mike attended University of Wisconsin-Parkside and assisted the Ranger baseball team in setting school records for the most season wins during his freshman and sophomore years. Continuing to demonstrate leadership, he was selected as a team captain for his senior and junior years. Before graduation, Mike earned a spot on the Dean's list, was nominated as a member of the All-Conference First team and lettered in baseball. In 2005 as a member of the elite North Woods Canadian summer baseball league, the Thunder Bay Bordercats won the league world series.

After college, "Scheider" continued his success in the sports realm. He coached baseball at Parkside and also led the Tremper girls basketball team. Currently Mike is in his second year competing with Team Easton/R & M Metals, professional softball league in the USSSA, playing every position but pitcher. His "big love" is still the yearly Rotary tournaments in Southeast Wisconsin. When not on the diamond hitting homers, Mike officiates basketball games for WIAA and works as a personal fitness coordinator at Gold's Gym.
