Introduction

The introduction is written in font Goudy Old Style, size: 12, line spacing: multiple (1,15). The introductory section describes the background of the research problem, literature facts, research gaps, the purpose of writing and method. The problem must be clear and requires research to solve the problem. For Arabic writing or fragments of verses from the Qur'an, the Traditional Arabic font size is 16. Foreign language words or phrases are written in italics, while Arabic-Latin transliteration refers to Arabic-Indonesian transliteration according to the SKB 3 Menteri. The body of paper must be elaborated between 4500-7.000 words (maximum) including abstract and references.

Discussion

In this section, subtitles are written according to the content of those subtitles. This section is the main part of the article. This section should contain clear and scientific analysis and findings. The discussions in each section are comprehensively, logically, and systematically described. Then, if the data translation requires a table or chart, it can be included in this sub-discussion with an example as follows:
