

TITLE TAKE HOME RESOURCES

Lowell Elementary School 2022

"Empowering Lowell Leaders to achieve everywhere."

As a school that qualifies for Title 1 federal funding, Lowell Elementary School is excited to provide learning materials opportunities for families looking to support their learners at home.

Here is how it works..

Each grade band has a slide deck with various links, features, and explanations for supporting both math and literacy learning at home. Click on the link for your student.

ATTENDANCE MATTERS

Every Student. Every Day

Here at Lowell, we know that life happens and barriers arise that can make it difficult to get kiddos to school.

If you are needing support with getting your students to school, or if your child suddenly struggles with the idea of coming to school..we want to support you.

Reach out to Ms. Gayla at (406)542-4040 and she will connect you with our social work team or Family Resource Center.
