Subject Line: Microsoft OAuth Login Approval for Reforge

Hi IT Team,

I am writing to request your approval for the **implementation of Microsoft OAuth integration for Reforge, a learning and development product we recently purchased.** This integration is required in order to access our Reforge accounts.

Below are the team members who will need Microsoft OAuth login permission:

- Email 1
- Email 2
- Email 3

For more information on Reforge's privacy and data policies, please see below:

- Terms of Service
- Privacy Policy
- Data Processing Addendum

Your approval for this integration is greatly appreciated. Please advise on any specific steps or requirements needed for the implementation.

Thank you for your prompt attention to this matter.

Best regards,
Your Name
