Dear Sydney City Police and Ryan Hunter

Australia Unites - Sydney Rally - 13 September 2025

On behalf of **Australians for Science & Freedoms** and the **Aligned Council of Australia**, and the many thousands of Australians we represent, we extend our sincere thanks to you and to every officer who supported the rally in Sydney on **13 September 2025**.

Your presence and professionalism ensured that the event remained peaceful, safe, and accessible to all. We are deeply appreciative of the dedicated officers who worked with organisers to provide clear and safe access for our speaker, the volunteers, and all attendees.

We recognise that policing large public gatherings can place officers in the midst of unnecessary division. Your calm and respectful approach did not go unnoticed. By upholding the rights of Australians to gather and speak freely, you helped safeguard freedoms that belong to every citizen, regardless of viewpoint.

Please pass on our gratitude to all members of the Sydney City Police Force who contributed to making this day a success. Your service strengthens the trust that should exist between the public and those who protect it.

Warmest regards

Professor Gigi Foster
