

INSURANCE INFORMATION

Westport RFC purchases annual Club insurance through AON. This is a compulsory requirement for the IRFU.

It is very important to note that this compulsory scheme does not provide for or cover payment of medical expenses or loss of earnings.

In the event of an injury sustained during training or during at match, Westport RFC will cover up to €100.00 to attend out of hours urgent GP services and A&E, (receipt will be required). **HOWEVER**, Westport RFC does **NOT** cover additional GP, Physio, Consultant, scans, or hospital costs.

We highly recommend that each player/volunteer considers their own access to alternative insurance cover, e.g. school 24/7 insurance, private health insurance, and AON Individual Player Insurance:
