

Community service work helps cadets in the NJROTC unit at our school develop leadership, teamwork, and a strong sense of civic responsibility. By volunteering in the community, cadets gain real-world experience, build character, and strengthen their commitment to service—core values of the NJROTC program. Cadets in the unit have volunteered in various events throughout Meridian, such as helping out at the Children’s Museum, Back-to-School Supply Drives, and our main event, the NJROTC Trojan Games. See below our cadets in action!
