

How to Make an Origami Pig

1. Start with a square piece of paper.
2. Fold it in half both ways so that the corners meet.
3. Take two opposite corners and fold them down.
4. Fold the whole thing in half downwards.
5. Fold the bottom corner up.
6. Fold the corners on either side of the pig down.
7. Fold down the front side of the pigs snout.
8. Draw a snout on the unfolded side.
