- Author: Insert your first and last name and any middle initial or middle name you want included.
- Honors: Insert the name of the major or field in which you are pursuing Departmental Honors (e.g., “Departmental Honors in Special Education”) in place of “[insert major or Department name]”. 2. For the Department Head or School Director, enter the correct title (that is, EITHER “Department Head” or “School Director,” but not both) and the individual’s full name and degrees.
3. If you are earning Highest Honors without Departmental Honors, the list includes ONLY the Project Advisor, the Associate Dean of The Honors College, and the Dean of The Honors College – no Departmental Honors Advisor, Department Head, or School Director.
