Essential Learning Outcomes EBG

Course: AP English			Grade: 11-12
Course Overview: Advanced Placement English Literature emphasizes reading, analyzing, discussing, and writing about a diverse range of literary works—including fiction, poetry, and drama from different time periods. Students will develop skills in close reading and critical analysis to understand how writers use various techniques to express the human experience. Students taking this course should plan on taking the AP English Literature and Composition test in the spring.
