

2021 Noblesville Black & Gold Marching Invitational – Inclement Weather Plan

The 2021 Noblesville Black & Gold Invitational is a rain or shine event! In the event of inclement weather, the contest will move into the main gym at NHS as a stand still /music only contest.

Masks must be worn inside NHS at all times (except when students are performing).

The decision to move to an indoor event will be made by the directors. This decision may not be made until the last minute, so please be ready to move to Plan B! All schedule changes will be communicated via our facebook site: <https://www.facebook.com/NoblesvilleBlackGold>

Volunteers: In the event we move inside, please park in the bus parking lot (off field drive) and enter gate 40. Please check in at the volunteer table located inside gate 40. We will work to re-distribute volunteers as needed to cover an indoor event. **We still need ALL volunteers to check-in, even if the event is moved inside.**

Spectator Parking: Spectators will enter gate 1 (main entrance off Cumberland Drive) or gate 40 (Off Field Drive - if parked in the bus lot) and proceed to the main gym.

Ticketing: Ticket prices shall remain the same. \$8 cash or GoFan pre-sale. Pre-sale is preferred for quick entry. Ticketing outside the main gym.

Hospitality: Will be located in the main cafeteria for bus drivers, directors and staff. Judges hospitality will be in the Jr/Sr café.

Concessions: Will be in the concession stand outside the main gym.

Warm Up: Bands will enter the aux gym at gate 9 (Group A) or gate 10 (Group B) on the south side of NHS. Bands will have a 10 minute holding time to dry off and get settled and 20 minute music warm up in the same location before proceeding down the west hall to the main gym.
