

TCAPS PowerSchool Public Portal

Updated 5/2026

The PowerSchool Parent Portal allows parents to access real-time student information, such as grades, attendance, and course information.

You will need an internet connection to access the portal.

To get the unique access ID and password connected to your student, please contact the main office of your child's school. All student information is delivered securely and can only be viewed using your unique ID and password.

PowerSchool Public Portal access is provided to parents/guardians of all TCAPS students.

Learn more about how to use the TCAPS PowerSchool Public Portal for Parents:
