Was your character a member of the Continental Congress?

YES

NO

If Yes: were they a member of the First Continental Congress, the Second, or both?

If No: Why were they not included as a member?

Jobs or Role in society during the Revolution (1770-1783):

Important details about their personal life (details that influence their decision on independence):

Your thoughts: Why do you think your character chose the side that they did? Explain your thoughts using information you found in your research:

---

---

---

---

Specific actions your character took **for** or **against** independence:

---

---

---

---

---

---

Identify at least one specific person or group of people that would have argued against your position. Explain who they are and their point of view:

---

---

---

---

---

What are **three** strong statements your character could make during the class debate that would show why they are FOR or AGAINST independence?

---

---

---

---

---

---

Write one Famous quote FOR or AGAINST independence: *\*note: your character may not be well-known enough to have an officially documented quote. If this is the case, you should create a quote that shows a realistic point of view your character may have held\**

---

---

---

---

What happened to your character after the war was over?

---

---

---

---

---

---
