MEETING MINUTES

- **Topic 1 – Project and activities progress**

The consortium discussed the project progress, the ongoing activities and the activities to be completed. The discussion focused on the submissions of the special issue volume coordinated by ICCV. Two publications from institutions from Albania and Lithuania have already been submitted. At least three more publications are expected, two from Enduræ, and the introduction to the special issue. Details about the acknowledgment wording and the disclaimer to be included in the submissions were also discussed.

- **Topic 2 – Planning and preparation of next meetings**

The next online meeting has been scheduled for November 28 and will be dedicated to the development of research proposals. The consortium also discussed a tentative agenda about the project meeting in January 8-9, 2025, hosted by IDEC. The agenda will include items related to the project progress, the final multiplier event to be organized in Santarém, as well as the developments regarding the upcoming proposals for funding.
