## BIO/FAMILY

I was born and raised in a small farming town in Northern California. I moved to San Diego to attend San Diego State University in 1999 and never left. I love living here! My husband, daughter 12, and son, 10 and I enjoy being outdoors like camping at the beach and desert, and traveling. We are a sports family so you'll see us either on the baseball, softball, and football fields or in the gym playing volleyball. I enjoy reading, taking our dog Diego for walks all around the city, visiting local plant nurseries (cactus and succulents are my favorite) and watching drama/comedy series like House of the Dragon/GOT, Vikings, and Emily in Paris. I'm also learning to play pickleball.

## AEA

This is my 5th year teaching and my 3rd year at AEA and teaching 3rd grade. Last year was an amazing year and I hope to continue the success this year. I feel so fortunate to be part of the AEA community. I have a B.A. in Spanish and Psychology from San Diego State. My teaching credential and M.A. is from National University. I lived and studied abroad in Madrid, Spain during my studies which sparked my interest in languages and experiencing other cultures.

## PHILOSOPHY

I aim to bring an open mind, a positive attitude, and high expectations to the classroom each day. I believe that I owe it to my students, as well as the community, to bring consistency, diligence, and warmth to my job in the hope that I can ultimately inspire and encourage such traits in the children as well.
