

Showcase of Learning Planning Guide

Goal(s)

- Explicitly showcase the learning journey of the students and teachers
- Explicitly share the standards and universal constructs that were implemented
- Celebrate the incredible genius of the students

Structure

- Each team will share their learning journey and discovery about themselves, each other, and their solution. Goals will be the same for everyone but they can use their individual flare to tell the story. Focus is on the learning journey vs the product.

Possible Setup

- For the learning journey presentations
 - Use library for unveiling of final products and celebration
 - Use hallways and classrooms for learning journey presentations

Pre-event logistics

- Contact media for press
- Design and print handouts

Current logistics to work around

- Forest Grove(Pleasant Valley) has band/choir concert in evening preventing after school exhibition event
- North Scott educators have media academy during day at MBAEA
