

Untold Tale of Mario And Luigi

Narrator: Luigi, lovable sidekick, and little brother of the infamous Super Mario. At least... that's what they say.

Today on Untold Tales, we go in depth about the lovable brotherhood turned deadly obsession.

Representative of best pal, scaredy cat and EVEN plumbing. Or is he?

Mario: Nintendo, I was their mascot. It's how a lot of companies did it

Sonic with Sega, Mega Man with Capcom

So I did my ape-thrashing shindig and got myself into an arcade.
Eventually, I got some attention. And that's when word came out from Nintendo.
I needed a companion.

Game Over.

Mr. SyS: Mario! This is Luigi, your helper, AND your new little brother!

Mario: I just told you I DON'T need a helper he'll just ruin the mood.

Luigi: We're the Mario Brothers! Plumbing is our game! WA-HOO!

Mario: Seriously?

Mr. SyS: Mario, take a chill pill. It's just for the community. Nothing big! Just do your Jumping and don't even think about Luigi, it'll be like he doesn't even exist!

Luigi's Thoughts: Little brother... little brother... little brother

Peach: he was... quite odd. Everywhere Mario went, Luigi just... tried to give him a helping hand... it looked so... erm... innocent in the beginning but then... the incidents started happening!

Mario and Donkey Kong managed to set their differences aside, and the team got bigger than before! It wasn't too long before they started bonding like brothers. But then... It began.

We couldn't even notice his face! They said there was some bomb inside one of his banana barrels. but even then... I had my suspicions...

Narrator: Then there was Wario. Rivals turned into best pals. The case report stated that Wario's motorcycle short-circuited. The infamous Mario was devastated

Peach: since the incident, he's been stalking me forever and I knew it. That's when I took the opportunity to use myself as a target.

There he is!

Mario: why...

Luigi: WHY?! They were manipulating you, Mario!

They never cared for you! I cared for you! You really thought they cared? I was the only one who cared, Mario!

Don't you see now?! The only one who cares for you is Luigi! ME!

Peach: Luigi, please. Get yourself together! You need help!

Mario: I could never care, ever love, or even let you be my brother! EVER!

You deranged, deluded, ASSHOLE!

Luigi: Wait, I understand now! If Luigi is Mario's little brother... and I'm NOT your brother...

Mario: Oh shit...

Luigi: THEN YOU AREN'T MARIO!

Narrator: That was the last time anyone saw Luigi. Even after... Nintendo tried to keep pumping up steam...

Mario: That was the last we heard OR saw him... Nintendo tried to bring up new characters and partners... just wasn't pumping. Maybe he was right. For all I know Mario and Luigi were a popular duo. That was the Mario Nintendo showed to the community. The Mario I never turned out to be... I guess... I'm not THE Mario...

Chris Pratt: Let's-a-gooooohohooo...

Luigi: I can't hearrr yoooouuuu...

Chris Pratt: let's-a-gooooooo...

Luigi: come on Mario! Say it! Say it for your loving brother!

Chris Pratt: oh shit... no... PLEASE! Let's-a-go! Let's-a-go! LET'S-A-GOOOOOOOOOO!
