SVRK DEGREE COLLEGE

NIDADAVOLU

Women empowerment cell Health awareness programme

A health awareness programme was organised on 4 -1-2022. Principal madam addressed the students and she motivated students to take care of their health. And we invited Dr k. swati gynaecologist of swati hospitals nidadavolu. Dr Swati spoke about anaemia and gynaec problems .she explained how important it is to takee healthy foods and be stress free . and she answered questions asked by the students . It's a highly knowledgeable program .
