

FuelMatch Privacy Policy

Last updated: May 22, 2026

FuelMatch ("we," "our," or "us") operates the FuelMatch mobile application. This policy explains how we collect, use, and protect your information.

Information We Collect

When you use FuelMatch, we collect:

- Your name and email address through Sign in with Apple
- Meal photos you upload for nutritional analysis
- Food and restaurant search history within the app
- Your nutrition goals, body stats, and meal logs
- Subscription and purchase information

How We Use Your Information

We use your information solely to provide and improve the FuelMatch app experience, including generating personalized meal plans, restaurant meal suggestions, grocery lists, and macro tracking. We do not sell your data to third parties.

Third-Party Services

FuelMatch uses Google Gemini API for nutritional analysis and meal suggestions, RevenueCat for subscription management, and Apple Sign In for authentication. These services may process data according to their own privacy policies.

Data Storage

Your data is stored securely in the cloud so it syncs across your devices. You can delete your account and all associated data at any time through the app settings.
