1. I got this feeling on the summer day when you were gone

I crashed my car into the bridge, I watched, I let it burn

Ivypaw meets Hawkfrost and agrees to be his apprentice

(please keep space for artist names at the beginning of the part!)

2. I threw your shit into a bag and pushed it down the stairs

I crashed my car into the bridge

Ivypaw in the Dark Forest, looking up to Mapleshade who's grinning. Ivypaw looks excited to be here and learn

3. I don't care, I love it, I don't care

Ivypaw training in the Dark Forest, transition to her training while awake

4. I got this feeling on the summer day when you were gone

I crashed my car into the bridge, I watched, I let it burn

Ivypaw looks away from her training to see Dovepaw talking to Lionblaze and Jayfeather.

Ivypaw frowns, jealous

5. I threw your shit into a bag and pushed it down the stairs

I crashed my car into the bridge

Ivypool running through Thunderclan territory, she runs past the collapsed tunnel entrance that Hollyleaf went into.

6. I don't care, I love it, I don't care

Ivypool stops to look at the tunnel for a moment, then continues on her way and is stopped by Dovewing appearing suddenly in front of her.

7. You're on a different road, I'm in the milky way
You want me down on earth, but I am up in space

Dovewing speaks the first line, she looks concerned. Ivypool speaks the second, and on 'up in space' she turns away.

8. You're so damn hard to please, we gotta kill this switch
You're from the 70's, but I'm a 90's bitch

Close up of Ivypool's unsheathed claws on the ground on 'you're so damn hard to please', then she turns back to Dovewing on 'we gotta kill this switch' and yells at her on 'you're from the 70s but I'm a 90s bitch'.

9. I love it, I love it

Ivypool turns and runs off, Dovewing looks absolutely heartbroken.

10. I got this feeling on the summer day when you were gone
I crashed my car into the bridge, I watched, I let it burn

We're in the Dark Forest again. Ivypool is facing off against Antpelt. Hawkfrost looks proud. Blossomfall looks concerned. Birchfall, Ivypool's dad, is looking away. Ivypool leaps at Antpelt and....

11. I threw your shit into a bag and pushed it down the stairs
I crashed my car into the bridge

Ivypool and Antpelt roll as they tussle, and Ivypool slams Antpelt into the ground at the beginning of 'I crashed my car into the bridge'. She sneers, triumphant.

12. I don't care, I love it
I don't care, I love it, I love it

Ivypool hesitates on the first 'I don't care', looking doubtful suddenly. Antpelt looks confused. Ivypool steels her resolve and kills Antpelt by leaning down and biting his throat.

13. I don't care, I love it, I don't care

Ivypool closes her eyes. She remembers when she was a kit and tussled with Dovewing and ended up winning. She opens her eyes, looking horrified for a moment, but then lifts up her head with a grin; she's hiding her emotions.

14. You're on a different road, I'm in the milky way
You want me down on earth, but I am up in space

Blossomfall and Birchfall look sick. Hawkfrost's smile grows wider. Ivypool marches off, and we transition to the full moon in the sky over thunderclan territory on 'I am up in space'.

15. You're so damn hard to please, we gotta kill this switch

You're from the 70's, but I'm a 90's bitch

It's the eve of the great battle with the Dark Forest. Transition down to Ivypool running through the forest. She stops, and we see Hawkfrost. We also see Hollyleaf, too far away to help.

16. I don't care, I love it

I don't care, I love it, I love it

Hawkfrost grins, getting ready to pounce. He unsheathes his claws. Ivypool looks shocked and concerned, then her expression turns determined. Hawkfrost leaps.

17. I don't care, I love it

I don't care, I love it, I love it

Ivypool is tackled but ends up on top. Hawkfrost suddenly looks uncertain. Ivypool smirks, then kills him in the exact same way she killed Antpelt. Poetic Cinema.

18. I don't care, I love it

Ivypool stands over Hawkfrost as he dissolves. Blossomfall moves to comfort her by leaning against her. She's at peace.
