

2026 SCHEDULE COMING SOON!

Florida Amateur Wrestling Association (FAWA)

The 2025 Freestyle and Greco season is finally here !!

We are excited to announce that the Board of Directors has approved the 2025 National Teams budget of \$67,000, the largest contribution FAWA has ever approved. This donation will fund our National Teams stipend programs, which are set up to reduce the fees to nationals for Team Florida wrestlers. Thank you to the BOD for your continued support and financial commitment to Florida wrestling.

The National Teams Committee works tirelessly to make Team Florida a national powerhouse and to provide opportunities and trips that your wrestler will never forget! There are some changes to our stipend program going into the 25' season that are outlined below. For full details on the Team Florida's qualifying policies and procedures please reference the FAWA website at www.floridawsaw.org

KICK OFF WEEKEND April 5-6th weekend will be our official start to the Freestyle & Greco season. The Tour of Florida *Kick Off Clinics* will be the first opportunity for wrestlers to earn points for the 2025 Freestyle and Greco Season.

POINT SYSTEM for the 2025 Tour of Florida (T.O.F.)

- T.O.F. Kick Off Clinic(s) : **1 point**
- T.O.F. Tournament(s) : **1 point** **everyone must attend at least 1 of these sanctioned events to be eligible for the State Championships**
- FAWA Major Events: Father Devine & FS/G States : **2 points**
- USAW Major Events: any USAW Regional (our area is Southeast Regionals), USAW Kids Nationals, UWW World Team Trials (Spokane and Las Vegas) : **2 points**

What are the points for?

ALL wrestlers are *required* to compete in at least 1 sanctioned 'Tour of Florida' tournament to be eligible for the FS/G State Championships.

A stipend is earned based on placement at the qualifier(s) and will work as a discount off the full price cost for the trip the wrestler qualifies for.

[NEW to 2025] To claim a Stipend; Wrestlers must compete in at least 1 sanctioned T.O.F. tournament and earn at least 4 points to be eligible for a Team Florida Dual's or Fargo Stipend.

*If it is not an officially sanctioned Tour of Florida event, it will not count towards a wrestlers point total. If you are unsure please check the FAWA website or contact a Team Leader for more information.

Coaches who want to be Team Leader's at National Duals / Fargo will have the same basic requirements as wrestlers claiming a stipend. Attend and volunteer at a minimum of 1 Tour of Florida event and earn 4 points to be considered for any Team Leader position.

You can find the official 'Tour of Florida' schedule and all things 'Team Florida' on our website www.floridawsaw.org

FAWA recognizes the growing costs to live, travel, and compete. We are extremely proud to be the only USAW organization in the country that uses a results based stipend system to reduce our athletes trip costs to the National Duals & Fargo. None of this would be possible without the continued support of the Florida wrestling community. We look forward to seeing you on the mats!!

In wrestling,

David Mason - Co-Chairman - F.A.W.A.
