FRIENDS OF DUNGENESS BIRD OBSERVATORY

WHETHER you are a regular visitor to Dungeness or just a rare migrant you are warmly invited to become a Friend of Dungeness Bird Observatory.

AS A FRIEND you will be welcome to use the facilities of the Observatory whenever you come to Dungeness and to participate in the Observatory's day-to-day activities, which include bird-ringing, migration watching, daily censusing, sea-watching, etc and you will receive a copy of the Observatory's Annual Report.

The Observatory's sea-watching hides will be available for your use, enabling you to study in comfort, even in the worst weather, the up- and down-Channel movements of seabirds. As a Friend you can also take advantage of much reduced rates for staying at the Observatory.

DUNGENESS, with its unique mixture of habitats, attracts a wide variety of birds and is one of Britain's leading birdwatching centres. The Observatory, founded in 1952 and run by an independent committee, has a long history of invaluable research and documentation, and provides a focal point for ornithological activity and information.

AS A FRIEND OF DUNGENESS BIRD OBSERVATORY you will be helping, with your subscription, in a tangible way to maintain the continuity of its important scientific work and with the upkeep of the Observatory. (Subscriptions are renewable on January 1st, and include the Annual Report to be published during the subscription period covered by the payment.)

VISIT our website at www.dungenessbirdobs.org.uk for regular news updates and more information about the Observatory and its work.

(Please note that Friends' addresses are kept on computer, solely to assist with distribution of the Report and your application will be taken as indicating your agreement to this arrangement. Your personal details will never be shared with any other party.)

Dungeness Bird Observatory is a registered charity.
