Transitioning from In-Person to Remote Teaching

Derek Bok Center for Teaching and Learning. *Teaching Remotely*. Harvard University. Available: https://bokcenter.harvard.edu/teaching-remotely

For the above source, click on the "Teaching Remotely" tab at the top after reading that first page. There you will find a list of relevant topics. While some of these are aimed very specifically at Harvard faculty (so, for instance, the workshops this week are only available for Harvard faculty), the general materials and helpful suggestions should be much more generally applicable.
