

Geoff's Joke

A Canadian salesman checked into a futuristic hotel in Tokyo, Japan. Realising he needed a haircut before the next day's meeting, he called down to the desk clerk to ask if there was a barber on the premises. "I'm afraid not, Sir," the clerk told him apologetically, "but down the hall from your room is a vending machine that should serve your purpose."

Sceptical, but intrigued, the salesman located the machine, inserted £15.00, and stuck his head into the opening, at which time the machine started to buzz and whirl. Fifteen seconds later the salesman pulled out his head and surveyed his reflection, which reflected the best haircut of his life.

Two feet away was another machine with a sign that read, 'Manicures, £20.00'. "Why not?" thought the salesman. He paid the money, inserted his hands into the slot, and the machine started to buzz and whirl. Fifteen seconds later he pulled out his hands and they were perfectly manicured.

The next machine had a sign that read, 'This machine Provides a Service Men Need When Away from Their Wives, 50 pence.' The salesman looked both ways, put 50 pence in the machine, unzipped his fly, and with some anticipation, stuck his manhood into the opening. When the machine started buzzing, the guy let out a shriek of agony and almost passed out. Fifteen seconds later it shut off. With trembling hands, the salesman was able to withdraw his tender unit which now had a button sewn neatly on the end of it.

Bill's Joke 1

Three men died on Christmas Eve and were met by Saint Peter at the pearly gates.

'In honor of this holy season' Saint Peter said, 'You must each possess something that symbolizes Christmas to get into heaven.'

The Englishman fumbled through his pockets and pulled out a lighter. He flicked it on. 'It's a candle', he said.

'You may pass through the pearly gates' Saint Peter said.

The Scotsman reached into his pocket and pulled out a set of keys. He shook them and said, 'They're bells.'

Saint Peter said 'You may pass through the pearly gates'.

The Irishman started searching desperately through his pockets and finally pulled out a pair of women's panties.

St. Peter looked at the man with a raised eyebrow and asked, 'And just what do those symbolize?'

The Irishman replied, 'These are Carols.'

*And So The Christmas Season
Begins.....*

Bill's Joke 2

A police officer pulls over a speeding car.

The officer says, ' I clocked you at 80 miles per hour, sir.'

The driver says, 'Officer I had it on cruise control at 60, perhaps your radar gun needs calibrating.'

Not looking up from her knitting the wife says: 'Now don't be silly dear, you know that this car doesn't have cruise control.'

As the officer writes out the ticket, the driver looks over at his wife and growls, **'Can't you please keep your mouth shut for once?'**

The wife smiles demurely and says, **'You should be thankful your radar detector went off when it did.'**

As the officer makes out the second ticket for the illegal radar detector unit, the man glowers at his wife and says through clenched teeth, **'Woman, why can't you keep your mouth shut?'**

The officer frowns and says, 'And I notice that you're not wearing your seat belt, sir. That's an automatic 75 pound fine.'

The driver says, 'Yeah, well, you see officer, I had it on, but took it off when you pulled me over so that I could get my licence out of my back pocket.'

The wife says, 'Now, dear, you know very well that you didn't have your seat belt on. You never wear your seat belt when you're driving.'

And as the police officer is writing out the third ticket the driver turns to his wife and barks, **'WHY DON'T You just shut your flaming mouth up ??'**

The officer looks over at the woman and asks, **'Does your husband always talk to you this way, Ma'am?'**

I love this part.... :

'Only when he's pissed.'
