Who We Are

Manifaster is a personal reflection and manifestation app developed by **Daniel Miles**. The app is designed to help users capture thoughts, track emotional growth, and align with their goals.

Information We Collect

Information You Provide

We only collect information that you explicitly provide when using the app:

- **Content Data:**
 - Text, images, and media you create
 - Titles, descriptions, categories, and attached photos
- **Preferences:**
 - Dark/light mode
 - Notification preferences
- **Thinking Time:**
 - Duration of your manifestation/thinking sessions
- **Photos:**
 - Taken using your device's camera or selected from your gallery
- **Purchase Information:**
 - Confirmation of premium purchases or donations (via App Store/Google Play)
 - We **do not collect or store** your credit card or billing details

Information Collected Automatically

- **Usage Data** (Anonymous):
 - General engagement (e.g., which screens are used, session length)

- Helps us troubleshoot and improve the app
 - **Device Information:**
 - Device type, OS version, and screen size — used to ensure compatibility and app stability
-

App Permissions

The following permissions may be requested:

- **Camera:** Only when you take a photo to attach to an entry
- **Photo Library:** Only when selecting a photo to attach
- **Notifications:** To remind you about goals or reflections
- **In-App Purchases:** Purchases are processed by your app store

These permissions are **optional** and not required for the app's core functionality. You can manage them through your device settings at any time.

How We Use Your Information

We use your information to:

- Provide and maintain core features of the app
- Store your content, preferences, and thinking sessions
- Manage premium features and verify purchases
- Schedule reminders and notifications
- Respond to user support requests
- Display images in your entries
- Improve app stability and plan new features

Data Storage

Local Storage

Your data is stored **locally** on your device. This includes:

- Content, preferences, and thinking time
- Purchase status for premium access

We do not upload your data to our server.

What Happens If You Delete the App

Since your data is stored locally, **deleting the app will permanently remove your data**, unless you've manually backed it up using your device or third-party tools.

Data Security

We apply appropriate technical and organizational safeguards to prevent accidental or unlawful:

- Destruction
- Loss
- Alteration
- Unauthorized disclosure or access

However, since your data is stored on your device, we strongly encourage enabling device-level security features like biometrics, PIN, or encryption.

Third-Party Services

Manifaster uses the following trusted services:

Service	Purpose	Data Shared
---------	---------	-------------

Expo Notifications	Scheduling and managing reminders	Only notification tokens
Expo Image Picker	Camera/photo selection for entries	None, runs on-device
Apple App Store / Google Play	Secure in-app purchases & subscriptions	Purchase metadata only (no payment info)

Subscriptions

We offer auto-renewing subscriptions for premium features:

- Charged through your App Store or Google Play account
 - Automatically renew unless canceled at least 24 hours before the period ends
 - You can manage/cancel your subscription in your account settings
 - By subscribing, you agree to this Privacy Policy and our Terms of Service
-

Your Choices and Rights

You have full control over your data:

- **Access:** View your data directly within the app
 - **Edit:** Modify content, preferences, or entries anytime
 - **Delete:** Remove content directly from the app
 - **Restore Purchases:** Use app store features to restore subscriptions
 - **Control Notifications:** Enable/disable through app or system settings
 - **Control Permissions:** Revoke camera or gallery access in your device settings
-

Children's Privacy

Manifaster is not intended for children under 13. We do not knowingly collect personal information from children. If you believe we have collected such data, contact us and we will delete it promptly.

Legal Basis for Processing (GDPR)

If you are located in the EEA (European Economic Area), our legal basis for processing your data includes:

- **Consent:** When you voluntarily provide information
 - **Performance of Contract:** To deliver the features of the app
 - **Legitimate Interests:** To improve the app and support user inquiries
-

Changes to This Privacy Policy

We may update this policy as necessary. We will:

- Update the “Effective Date” above
- Post the latest version in the app or on our website

You are encouraged to review this policy regularly.
