## Where I'm From

*By Ali*

I'm from lots of big toys.

I'm from Iron Man and Hulk toys.

I'm from Osama, Assel, Ahmad, Mohammed and Falah.

I'm from cheese pizza, vanilla ice cream and my mom's hot chicken.

I'm from "The bus is coming",

"Please do your homework",

and "Please stop playing Game Cube".

I'm from a lot of climbing squirrels,

tall trees and squishy leaves in my yard.

I'm from good soccer fields, many houses, a cold river, and a lot of dogs

and cats in my neighborhood.
