TERMS OF SERVICE

BY COMMISSIONING ME, YOU'RE AGREEING TO EACH AND EVERY TERM OF THE LISTED BELOW.

-DO AND DONT'S-

1. **I DO** everything you want, but my specialty are very colorful drawings. I can work with **sfw** and nsfw characters, including yuri, yaoi, futanari, etc. Different types of bodies and faces will not be problem but you must specify me before how your character looks and which characteristics are important. Furries and anthropomorphic characters are allowed, although they're not my main specialty.
2. **I WON'T ACCEPT** sexual abuse (rape) and paraphilias like bestiality, pedophilia, etc (if your paraphilia isn't on the list, ask me). Mechas and heavy armour (depending on the complexity) are included. Please, don't insist.

-GENERAL INFO-

1. I always send sketches before I continue with the lineart and coloring. **You are responsible** for letting me know if the sketch is going well or not (or if something is missing)
2. My style tends to vary (a little) because I'm always improving and trying a new style. If you want to start a commission with me you must consider this point.
3. My turn around time depends on the waiting list and the complexity of your drawing. It can take at least one day and my deadline is usually +2 weeks. Please, don't rush me.
4. After the commission is finished you are going to receive a full resolution version of it. You can ask me for sending your commission to your mail.
5. I prefer to receive **full references** of your character but descriptions with colors and images are allowed too.

-COPYRIGHT-

1. You are allowed to use your commission for personal purpose.
2. I don't but put my signature on the drawings because I think it's not necessary and also they don't look well, so please the first point is very important for me.
3. You're not allowed to copy and trace the commission.
4. Ask me if you want a commission for **commercial purposes**, but I'm going to charge 20% or 50% more depending on the commission.

-PAYMENT AND REFUNDS-

1. Payment will be made **only through paypal**, you can ask me for an invoice or you can send the payment for your own.
2. I always receive the payment after you approve the sketch and before I do the lineart and coloring. If you don't want to continue the commission, I'm going to **refund the 60%** of the commission and please don't insist and ask me for more.
3. **Full refunds are available if I haven't started yet with your commission.**
4. Changes are available on the sketching phase, they can be the amount you want.
5. **Tiny edits** on the finished piece can be made for free if I missed some details that were stated in the reference or information.
