

FREQUENTLY ASKED QUESTIONS

Do I have to be 18+ to participate?

Yes. This is a NSFW project, therefore all moderators and contributors must be 18+ in order to participate.

What is this project?

Fight or Flight is a NSFW BakuDekuBaku mosterfucking zine, which means it will feature both Deku and Bakugou with one or both of them as monsters. Although the zine is NSFW in nature, some SFW content may be accepted if it fits the theme. This zine will be in digital form, consisting of the main zine (Fight or Flight) and a hard kink digital add-on called "Terror."

What is Terror?

Terror is the hard-kink add-on for Fight or Flight, featuring content that is more on the "terror" side of the theme such as noncon, horror, and MCD. A full list of content guidelines can be found below.

Is this even for Profit or Charity?

Neither! This will be a free digital zine and anyone 18+ may download it.

How many contributors will you be accepting (not including guests)?

The exact number of artists, and writers will depend on applications and interest.

What content will be allowed?

Fight or Flight:

Any NSFW content that is not considered hardcore/hard kink will be allowed in the main zine.

Terror:

The Terror add-on will be centered around hardcore/hard kink content. In the context of this zine, we consider hardcore to be detailed discussions and images of: noncon, terminal illness, drug overdose, extreme violence/gore, amputation or noncon body modification, bestiality, emeto, major death, and prepubescent/lolisho.

Dubcon, consensual incest, consensual minor/adult relationships (as long as the minor is 16+), and/or consensual age gap is not considered hardcore in the context of this zine.

The following content will not be allowed in either the main zine or the add-on:

Scat/fart play, diaper play, major violence/abuse regarding children and/or animals, suicide, insects (insect *like* monsters are ok), human Cannibalism (not including monster eating human), and necrophilia.

Please note that these *will* be allowed in application samples, as long as they are properly tagged.

What kinds of things do you consider monsters?

Monsters are a type of fictional creature often depicted as dangerous, extraordinary, or unconventional, with strange or unusual appearances. They usually resemble bizarre, otherworldly and/or mutated animals or entirely unique creatures of varying sizes, shapes, and forms, but may also take a humanistic form, although they are not human. In this zine, any and all forms of monsters will be accepted, whether they are from the canon universe (nomus, beast quirks, etc.), mythology (hydras, dragons, vampires, minotaurs, etc.), or made up by our wonderful contributors. The most important part is that they are not human.

We will do our best to have a wide variety of monsters, so there will be a beast for everyone!

Will this be a physical zine or digital?

Both Fight or Flight and Terror will be a free digital zine.

Will there be merch?

There will be digital merch consisting of wallpaper, icons, and discord emojis.

Is the zine ship-centric or will gen content be allowed?

This zine will be focused on the ship BkDK (or DkBk, either dynamic is allowed).

What is BkDkBk?

BkDkBk is the ship name for both BkDk, and DkBk, since this zine allows both dynamics. In NSFW context, BkDk stands for top Bakugou, and bottom Deku, while DkBk stands for top Deku, and bottom Bakugou.

Will underage characters be featured?

There will be a possibility of that, yes. All characters in the main zine will be depicted as 16+. There are no restrictions on characters featured in the add-on.

Will there be themes that might be considered dark/dead dove?

Content featuring harder kinks will be present in the add-on but will not be featured in the main Zine.

Are omegaverse and/or A/B/O dynamics allowed?

Yes, as long as one of the characters is a monster.

Why don't you have a finance mod?

As this will be a free digital zine, there will be no money exchanged and no need for a finance mod.
