

F3 SLT Role Descriptions

Nant'an

The Q of the Region

It's his problem

Cheerleads

Primary telegram to the Nation

Weasel Shaker

The man who "shakes the weasels" and makes sure they are all doing what they are supposed to do.

He is a spreadsheet-loving, rule embracing, detail-oriented sort that helps to give the Nantan the information he needs to effectively guide and make decisions on how to empower Pax to become the leaders they have been called to be.

Keeps his ear to the ground, and his finger on the pulse of the Pax with the Nantan

For example, Wednesday numbers are really high, might be time to split the workout; or, I've plotted all the Pax houses on this map and it looks like we could use an AO on the other side of town, or hey, who screwed up the spreadsheet formulas.. again??

CommzQ (Hype Guy)

It may be obvious, but we'll state it anyway...

This man is the Q for making sure the Pax stay connected to one another. He understands very clearly that 2ndF does not end at the AO or at the Happy Hour. Part of what makes F3 work is a dedicated man to keep the drum beating so that Pax have community one with another.

Social Media, Slack, Website, Newsletters, etc. are the tools he uses.

1st F Q (Magnet Man)

This is the guy that ensures the smooth running of the AOs.

He makes sure that Site Qs are doing their jobs and often will hold regular meetings to do so.

1st F Q also helps to plan and execute CSAUPs

He works with the Nantan, Growth Q, and WS to look at the growth of 1st F AO plants.

He holds regular Q Schools for new(er) Pax to encourage leadership of workouts.

2nd F Q (Glue Boy)

Mr. Party Pants. Whether it be Happy Hour, family picnics, Christmas Parties, or Coffeeteria, this is the guy who makes the donuts. The CommzQ is his best friend, as he attempts to get Pax motivated and excited about Fellowshiping together.

3rd F Q (Dr. Dynamite)

This job is one of the tougher ones... the 3rd F Q really needs to understand the needs and wants of his Pax.

He can plant anything from a weekly Bible Study to an open discussion group to a regular community service opportunity for Pax. His role is the essence of the real mission of F3. Male COMMUNITY Leadership. It's ambiguous on purpose, but it needs to make IMPACT.

Growth Q (Black Ops Ninja)

This guy has one of the vital, but less championed, roles of F3. The entire mission of F3 is to plant, grow and serve small workout groups for men for the invigoration of male community leadership.

The Growth Q is all over the grow, constantly working with the Weasel Shaker to keep numbers and geographies top of mind, seeking, testing, and launching new AO's (hence Black Ops). He recruits, he champions, he leads, and loves everything about being super ninja stealthy.

Site/AO Qs

The F3 Ambassadors, if you will. Every man's first impression of F3 will likely be guided by the work of these men. This is where the rubber really meets the road.

He makes sure that the core principles are kept intact, which is impossible to do if HE ISN'T THERE. So, the inferred commandment is, BE THERE. Every time. Period.

He plants the flag for the AO, makes folks feel welcome, makes sure the disclaimer is correctly spoken, picks up the 6, etc.

He manages safety for the site (don't post if there is a bunch of lightning, that sort of thing).

He champions the Q schedule. Practices Voluntoldism...

He sells the AO, the Qs, and the Mission of F3.

He harasses Qs to write BBs, etc.
