PANEL 1

Frank is floating in space while repairing the space shuttle

Frank: Hey Katie?

Katie (OS): What?

PANEL 2

Outpan of the shuttle, showing the vast emptiness of space

Frank: Do you ever think what's out there in space?

Katie: We are in space, Frank.

PANEL 3 (within panel 2)

Frank looking at Katie

Frank: Yeah, I know that. But we're in a video game representation of a fictional concept. I mean do you ever wonder what's really out there?

PANEL 4 (within panel 2)

Closeup of Katie, repairing the shuttle.

Katie: Sometimes I wonder, sometimes I don't.

PANEL 5

Frank: Mmhmm. We always draw up different conclusions about what's out there in the great unknown. We don't know if there are parasitic Things, planets that support life, aliens that want to chestburst, or just tiny little unknown germs.

Katie: Well, even if we are truly alone in the universe, we always move on with our day to day lives.

PANEL 6

Frank and Katie are back in the shuttle

Katie: We grow up, we work, we grow old, and then we die never knowing the full extent of what the universe holds. We live in our personal little world even though there's always a bigger world out there for us. We come up with our own conclusions so we could sleep better at night.

Frank: Yeah, for u-

SFX: Boop! Boop!

PANEL 7

Close up to Katie, who is looking at a radar screen

Katie: They’re coming…

PANEL 8

Frank is getting ready to fly the heck out of dodge

Frank: Then it’s time to fly forward into the abyss.

Katie: and into the black.

PANEL 9

Shuttle flies off into the unknown. Shuttle leaves a travel trail.
