The swim-a-thon will conveniently be managed electronically – no need for cash envelopes or pledge forms or tracking down donors the old fashioned way.

See below for instructions, tips and tricks for setting up your swimmer's donation page. It is very intuitive and can be done in a matter of minutes. Have fun with it, engage your swimmer in helping, and we'll see you in the pool on April 18th!

Please reach out to Celeste Seadler at etowndolphinsboard.com with any questions

1. After logging in to SportsEngine, find your swimmer already loaded in to the “event fundraising” section. Go to My Account □ Billing □ Event Fundraising.

*If you have multiple children, use the drop down to view each swimmer's profile:

Hi family, friends, and FANS!

I have been swimming a little while now and I absolutely love this sport. It has taught me determination, perseverance, hard work, committing to a goal, to never give up, and to humbly accept either defeat or a win. I can't stay out of the water.

*Don't forget to add photos and links to facebook or twitter pages if desired.
